A PERSONAL WORD FROM THE PRESIDENT

So whether you eat or drink or whatever you do, do it all for the glory of God. Do not cause anyone to stumble, whether Jews, Greeks or the church of God—even as I try to please everybody in every way. For I am not seeking my own good but the good of many, so that they may be saved.

1 Corinthians 10:31-33 (NIV)

The Apostle Paul opens a window to his heart and shares the motivations that have caused him to endure incredible hardships in pursuit of God's call. Paul reminds the early church that the first priority is to "do it all for the glory of God." We share that calling. Our purpose is to glorify God in all that we do.

Paul also reminds these believers that the goal of his ministry is not "seeking my own good but the good of many, so that they may be saved." Effective and enduring ministry has a clear focus. It's not about a career or a profession. Ministry is about answering the Master's call to become fishers of men, labourers in His harvest. We still believe that people need to be saved and that Jesus is not just the best hope, He is our only hope!

For the past 66 years, Kingswood University has been preparing men and women for spiritual leadership in the Kingdom. This unique mission has never been more strategic for Kingdom advancement. The need for Christ-like servant leaders has never been greater as the harvest fields around us grow whiter. The opportunities for global impact are unparalleled in a world that grows smaller and more complex at the same time.

If you are exploring God's call to a lifetime of servant leadership, we invite you to consider the unique advantages of preparing to answer that call at Kingswood University. Jesus could have set up a university in downtown Jerusalem, but instead He spent most of his time preparing his "next-generation" leaders in remote settings accessible to, but away from, the hectic pace of the city.

Kingswood is kilometres beyond ordinary, just 30 minutes from some of North America's most beautiful wilderness. Our community of faith and learning is set in a small town not unlike Capernaum. Carpenters and dairy farmers sit in the coffee shop next to students and PhD professors. Life slows down enough for you to listen to God and deepen your understanding of His calling. Whether God calls you to New York City or Newfoundland, you'll never forget the lessons learned here!

You are not likely to end up at Kingswood by accident. Our students often testify to a sense of God's calling not only to ministry but also to choosing Kingswood University as the best place for them to continue their journey toward character transformation and ministry effectiveness.

Allow us to share your journey as you prepare to serve for the glory of God and the good of many!

Your servant in Christ,

Rev. Mark L. Gorveatte

OUR MISSION

To prepare spiritual leaders for the church of Jesus Christ and specifically for The Wesleyan Church. It is driven by the passion of Christ to reach a lost world as expressed in Matthew 9:38, *Ask the Lord of the harvest . . . to send out workers into His harvest field.* The focus of this mission is to prepare pastors for local church ministry and missionaries for trans-cultural service. The breadth includes the preparation of specialized ministers according to the needs of the Church. The depth is reflected in our requirement that all graduates demonstrate academic excellence, ministry effectiveness, and holy character.

GENERAL INFORMATION

Purpose

The purpose of Kingswood University is to educate and equip men and women for ministry in the Christian Church in general and The Wesleyan Church in particular. As such, Kingswood devotes itself to the upbuilding of each individual with regard to their academic, spiritual, and emotional wholeness to enable them to be faithful in their witness to Jesus Christ and His Church.

Doctrinal Statement

Owned and operated by The Wesleyan Church, Kingswood upholds the Articles of Religion as found in *The Discipline of The Wesleyan Church*, which includes the following summary of doctrinal beliefs:

We believe in God the Father, the Son, and the Holy Spirit.

We believe that Jesus Christ the Son suffered in our place on the cross, that He died but rose again, that He now sits at the Father's right hand until He returns to judge all men at the last day.

We believe in the Holy Scriptures as the inspired and inerrant Word of God. We believe that by the grace of God every person has the ability and responsibility to choose between right and wrong, and that those who repent of their sin and believe in the Lord Jesus Christ are justified by faith.

We believe that God not only counts the believer as righteous, but that He makes such persons righteous, freeing them of sin's dominion at conversion, purifying their hearts by faith and perfecting them in love at entire sanctification, and providing for their growth in grace at every stage of their spiritual life, enabling them through the presence and power of the Holy Spirit to live victorious lives.

Goals

In the accomplishment of the Mission of the University, the specific goal of Kingswood University is to prepare pastors, missionaries, youth pastors, church planters, ministers/directors of Christian education, ministers of music, teachers for Christian schools, and general Christian service workers.

In addition, the University continues to study and assess current programs to assure it is meeting perceived ministry needs. Since the University is committed to the entire scope of the ministry of The Wesleyan Church, it seeks to provide the level of education required by the Church for various professional ministries and to prepare graduates to fulfill with competence and effectiveness their calling in these ministries. In so doing, the University gives priority to the education of students from The Wesleyan Church, but also encourages the

attendance of other committed Christians from various church affiliations.

General Objectives

Within the framework of its mission and goals, the University strives to fulfill the following objectives:

1. to guide students into greater knowledge of the Bible, the Christian faith, themselves, others, and the world around them.
2. to develop within students a deeper appreciation of a biblical sense of values, of God's plan for their lives, of their spiritual, social, and national heritage, and of their privileges and responsibilities in contemporary life.
3. to assist students in the development of research skills, critical thinking for independent study, the integration of all knowledge and experience into a Christian worldview, and the effective communication of truth.
4. to facilitate students in the development of a well-rounded, wholesome Christian personality, physically, mentally, emotionally, socially, and spiritually.

History and Heritage

Kingswood University was founded in October 1945 in Woodstock, New Brunswick by the Alliance of the Reformed Baptist Church of Canada. Known as the Holiness Bible Institute, its primary purpose was the training of ministers to serve the Reformed Baptist Church within the Atlantic region. In 1947, the school was relocated to Yarmouth, Nova Scotia and renamed Bethany Bible College. In 1965 Bethany relocated a second time, to the present location in Sussex, New Brunswick.

In July 1966, the Alliance of the Reformed Baptist Church of Canada joined the Wesleyan Methodist Church. Two years later, in June 1968, the Wesleyan Methodist Church merged with the Pilgrim Holiness Church to form The Wesleyan Church.

Over the course of time, the University has made advances academically. In May 1970, the General Board of Administration of The Wesleyan Church authorized Bethany Bible College to award the Bachelor of Arts Degree in Religion, the basic four year program for those entering full time ministerial service. In 1983, the Province of New Brunswick, through official legislations, authorized Bethany to grant church related degrees.

In 2011 Bethany Bible College was renamed Kingswood University.

Accreditation

Kingswood University is accredited by the Commission on Accreditation of the Association for Biblical Higher Education (ABHE). This is the major North American accrediting agency for biblical higher education. ABHE is recognized by the United States Department of Education.

Alumni Association

Kingswood has a growing alumni organization with members in various parts of the world. Those serving in ministry fill such vital roles as pastors, church planters, missionaries, Christian educators, and chaplains. Many others serve the Church as qualified lay people. The primary objective of the Alumni Association is to promote the welfare of the University by being informed of its needs and progress, contributing prayerfully and financially to its support, and alerting the public to its values.

Kingswood and the Sussex Community

Kingswood is located in the town of Sussex which has a population of approximately 5,000 and is nestled in the beautiful hills of the Kennebecasis River Valley. It is well-suited for the outdoor enthusiast, being a short drive from various ski resorts, Fundy National Park, one of the pristine parks of North America, and the Bay of Fundy which boasts the highest tides in the world. Sussex is conveniently located along provincial highway 1 providing easy access to Moncton, Saint John, and Fredericton, the capital of New Brunswick. Sussex is also within a two-hour drive of the state of Maine and is, therefore, not far from some of the major cities of the north-eastern United States, such as Portland, ME and Boston, MA.

Campus Resources

The campus is situated on fifty-seven acres of land overlooking the town of Sussex. The lower part of the campus is located along Main Street and Western Street. This includes Nicholson Hall which contains the library, computer lab, and Student Success Centre, and the Burbury Administration Centre which accommodates administrative offices, the Enrolment and Communications department, and classrooms. The upper campus is site of four

student residences, Stairs Hall containing the cafeteria and classrooms, and the Mitchell Student Centre, which includes recreation facilities, the Blazer Deli, lounge, and Student Services office. The upper campus also includes buildings housing the Academic Department, the Music Department, faculty offices, and recreational fields. Nearby is the President's home.

The student should make re-application by means of a letter stating reasons for desired re-admission, the program of study desired, and payment of a \$20 application fee. If more than two years have passed since the student was last enrolled at the University, all the admissions procedures must be fulfilled. Students re-admitted return under the same academic standing as when they withdrew from Kingswood. Students must meet the academic requirements of the program in effect at the time of re-admission.

The minimum acceptable score for admission to the University is:

Individuals 60 years of age or over will be charged one-half of the tuition or audit fee for the courses taken.

Tuition Deposit

After initial acceptance, all off-campus students must submit a \$100 tuition deposit before they can pre-register for classes. Upon enrolment this fee will be applied to their student account.

Individuals who have paid this fee but do not plan to attend Kingswood are eligible for a full refund if they submit a written request prior to July 31 for the fall semester, or December 31 for the spring semester. If a written request is not received by these dates the tuition deposit will not be refunded.

This is the charge for one half-hour of private instruction per week. In addition to the lesson fee, one credit hour will be added to the number of credit hours charged.

Room Fee

This fee is the charge for a dual occupancy dorm room. Following holidays during the year, the dorms open the day before classes resume. The first meal will be served at noon on this day.

Room furnishings include drapes, bed, mattress, dresser, chair, and study desk. Bed and bath linens are not provided by the University. Students are responsible for the care of the room they occupy and the furnishings allotted to them.

Single Occupancy

Subject to the occupancy level, private rooms may be available. Requests are to be indicated on the Room Reservation form.

Room Reservation Fee/Damage Deposit

All resident students must submit a \$100 room reservation fee/damage deposit to ensure a room assignment in the dormitory. Students submitting fees after August 1 will be assigned rooms subject to availability of space.

Individuals who have paid this fee but do not plan to attend Kingswood, or plan to live off-campus, are eligible for a full refund if a written request is submitted prior to July 31 for the fall semester or December 31 for the spring semester. If a written request is not received by these dates, the room reservation fee/damage deposit will not be refunded.

At the end of the academic year this fee may be used to secure a room assignment for the fall semester. If the assigned room was damaged, costs incurred for repairs will be deducted from this fee or the refund amount. The room reservation fee/damage deposit must be maintained at the \$100 level to ensure a room assignment.

Town House Family Housing

A limited number of two and three bedroom, furnished and unfurnished, apartments are available for family housing. Utilities are included but telephone and satellite television are extra. The semester rental periods are August 1 to December 31 and January 1 to May 31.

Town House Family Housing Deposit

This deposit is refundable after the first five months of residency is completed and upon vacating the apartment without damages or other outstanding fees payable to the University. Outstanding fees and the costs for repairs will be deducted from the refund amount.

Students who provide proof of their ability to meet their financial responsibilities are permitted to pay their semester charges in two equal payments: half on registration day and half on the 15th of the following month (October 15 / February 15). The half payments are calculated after the deduction of grants, and scholarships. Loan funds may be used as part of this payment plan only if they arrive prior to the payment date.

In exceptional circumstances, students who have a viable payment plan but do not pay the half payment on registration day may be permitted to enrol. All such cases must receive prior approval from the Director of Financial Aid and will be assessed a \$100 late payment fee.

Students with outstanding balances that are delinquent will not be permitted to participate in University sponsored trips which are more than two days in duration. This includes Praxis and Global Ministry trips, chorale tour, departmental enrichment trips, etc.

Failure to make a payment within five business days of the payment due date will result in the student being excluded from class attendance until the bill is paid in full or alternate payment arrangements approved.

Payment Terms – Non-Traditional Programs

Payment in full is due seven days prior to the commencement of the course. Students will not be considered registered for or be eligible to participate in a course until all fees are paid.

Payment Options for All Programs

AMERICAN SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory Academic Progress

All students applying for or receiving American Federal Aid (subsidized/unsubsidized Direct Loans and Parent Plus Loans) at Kingswood University must make satisfactory academic progress towards completion of their chosen academic program.

Kingswood University is required by American Federal Law to define and enforce standards of Satisfactory Academic Progress (SAP). These guidelines have been established to encourage students to successfully complete their academic programs for which aid is received.

A student is considered to be making satisfactory academic progress when he or she:

1. successfully completes 75% of attempted credit hours each semester.
2. meets minimum grade point average requirements each semester.
3. completes the program of study within the maximum allowable time frame.
4. does not repeat any course more than twice.

Minimum Requirements for Degree Students

<u>Semester</u>	<u>Percentage</u>
First Semester	75%
Second Semester	75%
Third Semester	75%
Fourth & subsequent Semesters	75%

Maximum Allowable Time Frame for Full-Time Students

A student is entitled to receive aid for 150% of the length of their academic program.

1. Associate's degree – 3 years of eligibility
2. Bachelor's degree – 6 years of eligibility

Evaluation and Notification

Satisfactory Academic Progress (SAP) will be assessed for each student by the Director of Financial Aid at the end of each academic semester to determine eligibility for continued Financial Aid. Students will be notified in writing or by email within five business days of the semester grades being released if they are placed on Financial Aid probation or if Financial Aid eligibility has been suspended.

Financial Aid Probation and Suspension

Students who fail to achieve the required minimum standards of academic progress will be placed on Financial Aid Probation for one semester. If, during that semester, students meet the required minimum

standards of academic progress and meet with the Director of Financial Aid, they will be removed from probation and be eligible for American Federal Aid.

Students on probation who do not meet the required minimum standards during that semester will be placed on Financial Aid Suspension. They will be ineligible for any further American Federal Aid until such time as they achieve the required minimum standards of academic progress. When suspended students achieve the required minimum standards they must notify the Financial Aid Director and they will be eligible again for American Federal Aid.

Students who have exceeded their time frame eligibility will be ineligible for any further American Federal Aid. Students who repeat a course more than two times will be ineligible to receive any further US Federal Aid for that course.

Financial Aid Appeals

In certain circumstances, students whose American Federal Aid eligibility has been suspended may appeal the suspension if at least one of the following criteria is met:

1. The death of an immediate family member (parent, caregiver, spouse, sibling, dependant child, etc.).
2. The extended illness of the student – documented chronic or recurring medical or emotional illness that causes the student to be absent from class at least 15 days or more.
3. Family difficulties, such as divorce or illness.
4. Mitigating circumstances as determined by the Director of Financial Aid.

Appeal Process:

1. Submit a written appeal letter to the Financial Aid Director within five business days of the receipt of the notification of suspension. This letter must outline the reasons for the failure to meet SAP requirements and include all documentation supporting the appeal.
2. The appeal will be reviewed by the Director of Financial Aid, Vice President for Academic Affairs, and Vice President for Enrolment & Communication, who together will decide to uphold or reverse the suspension.
3. A written response to the appeal will be provided to the student within ten business days.

AMERICAN TITLE IV REFUND POLICY

If a student withdraws or is expelled during the semester (payment period), American law specifies that Kingswood University must recalculate Title IV (Stafford Loan) funding to determine what amount the student has "earned."

Calculation of Title IV Funding Earned

To earn 100% of Title IV funding a student must complete 60% or more of the semester. If a student has not completed 60% of the semester, the amount earned will be determined by the number of calendar days completed divided by the number of days in the semester. For example a student who has completed 25 days of the 103 day semester, will be eligible for 24.27% (25 divided by 103 equals 24.27%) of his or her previous Title IV eligibility.

If the student received (or the University received on the student's behalf) less assistance than the amount that was earned, the student may be eligible to receive those additional funds. If the student received more assistance than was earned, the excess funds must be returned by the University and/or the student.

Returning Excess Title IV Funding

Kingswood University is required to return a portion of the excess funds equal to the lesser of:

1. The University's charges multiplied by the unearned percentage of the funds, or
2. The entire amount of excess funds.

If the University is not required to return all of the excess funds, the student must return the remaining amount.

Title IV funds will be returned to the lender in the following order:

1. Unsubsidized Direct Loans
2. Subsidized Direct Loans

Kingswood University will return all excess funds to the lender within 30 days of the last date of attendance.

Withdrawal Date

When a student withdraws during a semester, the withdrawal date for Title IV refund purposes will be established as the earlier of the following dates:

1. The date the student notifies the Registrar of his or her intent to withdraw.
2. The date the student submits a withdrawal form.

If a student does not submit a withdrawal form or notify the Registrar of intent to withdraw, the withdrawal date will be established as the last date of class attendance.

If a student receives all failing grades for a semester and it is determined that this is a result of lack of class attendance, the last date of attendance will be established and used to calculate the amount of Title IV funding earned for the semester.

SPIRITUAL LIFE

It is God's desire that we not only come to know Christ as Saviour, but that we continually grow into the likeness of Christ himself (2 Corinthians 3:18). Traditionally, we call this "Christian spiritual formation;" it is our purpose to assist in the Christian spiritual formation of every student at Kingswood University. To help accomplish this, we offer a variety of significant spiritual experiences that will place all students in the path of God's transforming grace.

Chapel is held twice a week for the campus family to meet together to worship and give praise, participate in the preaching of God's Word, celebrate Holy Communion, and join together in corporate prayer. Chapels at Kingswood have gained a reputation for excellence as intentional worship experiences for the purpose of spiritual transformation.

There are no classes on Wednesdays which are designated as **Pulse Days of Ministry**. Guest speakers, focus topics, ministry opportunities, and days of rest help students and staff alike to develop head, heart, hands, and habits.

Every student enrolled at Kingswood University participates in a personal **Discipleship Group** for ongoing development of the character, values, and mind of Christ. Discipleship groups are highly regarded as times of deeper connection to fellow students for prayer, mutual support, and encouragement.

Another regular worship event is **Elevate**. This is a Sunday night worship experience that is designed and led by students.

Two weeks of the year are dedicated to campus wide spiritual renewal and growth with speakers noted for their ability to preach with clarity, conviction, and spiritual anointing. In September, **Ignite** (formerly Spiritual Advancement Week) helps bring spiritual focus to the entire campus by challenging each student and staff member to new levels of spiritual vitality, victory, and vision. In January, **Infuse** (formerly Holiness Advancement Week) provides a time for the campus community to focus on the Biblical doctrine of holiness that results in deeper spiritual transformation.

Incite (formerly the International Missions Convention) is held each year in the spring semester. This week is designed to heighten campus awareness of what God is doing in our world, particularly outside North America. Opportunity is given for both students and staff to respond positively to God's direction for personal involvement in the great cause of missions, especially as accomplished through The Wesleyan Church.

There are many other opportunities for spiritual growth and ministry at Kingswood including summer ministry teams, worship bands, and more. STUDENT DEVELOPMENT

Kingswood University is committed to student development as an essential element of the total educational and formational experience of each student. This commitment is based upon the assessment that student development encompasses all areas of life including physical, intellectual, emotional, interpersonal, character, and spiritual formation.

The purpose of student development is that all students make significant progress in their overall personal growth and maturity, develop genuine Christ-likeness, and gain an abiding understanding of, and commitment to, their calling and ministry within the body of Christ.

SOCIAL LIFE

Becoming a responsible, discerning, and respected leader is accomplished by learning to make wise choices and developing strong interpersonal relationship skills. Thus, a meaningful, well-rounded education at Kingswood University includes cultivating Christ-centered relationships. University administrators, faculty, and staff count it a privilege to participate in this lifestyle development.

RESIDENT LIFE

Kingswood is a resident housing institution. Therefore, resident life is intended to be a vital part of the total learning, character building experience. Resident life provides special opportunities to learn and practice the discipleship lifestyle (servanthood, mutual respect, selfless caring, and sharing). We want the community life shared with friends in the residence hall to have a positive impact on the Kingswood experience and to be the beginning of many lifelong friendships.

STUDENT ORGANIZATIONS

Student Council

Student government at the University is facilitated through the Student Council. This elected body consists of administrative officers, a first year student representative, and the presidents of the student organizations listed below.

Spiritual Life Association

The Spiritual Life Association has as its purpose the building of character and the transformation of conduct to the example of Christ's spiritual leadership. By servitude and submission to Him, the association promotes growth in grace so that it can be said with the Apostle Paul, *The things you have learned and received or heard and seen in me, practice these things; and the God of peace shall be with you* (Phil. 4:9). The Spiritual Life Association assists in leading the annual Ignite (formerly Spiritual Advancement Week).

Outreach Association

The Outreach Association seeks to model and live out the love and compassion of Christ through various ministries in the community. Servant-evangelism projects and creative ministries that meet real needs in the community of Sussex provide students with wonderful opportunities to experience the challenges and joys of serving others.

Student Global Impact

The purpose of this organization is fourfold: to promote among the students an interest in missions, to help all students discover God's plan for them in His work, to foster spiritual growth, and to encourage students to become involved in Christian witnessing. Student Global Impact assists in leading the annual Incite (formerly International Missions Convention).

Student Fellowship Association

It is the desire of the Student Fellowship Association to assist in all aspects of the student's social development. The goal of the association is to enhance the spiritual growth of each student by providing a positive, wholesome atmosphere for social interaction and the development of lasting friendships.

Athletic Association

This student organization seeks to promote personal health and fitness, the building of character, and leadership skills through athletic events both on the intercollegiate and intramural levels. Participation is encouraged as a player and/or spectator.

Drama Association

The Drama Association provides students with an opportunity for ministry outreach to the community and for involvement in unique University presentations. Its goal is to present biblical truths in a

creative and contemporary form that is both clear to listeners and effective in evoking positive personal change.

Torch

The Torch is the campus yearbook, published annually. Its purpose is to reflect accurately the wide scope of campus life at Kingswood University creatively using photographic, graphic, and written information. Students may assist with photography, writing, advertising, and editing responsibilities in the production of this publication.

ACADEMIC INFORMATION

ACADEMIC POLICIES

Class Attendance

The faculty and administration of the University believe that many of the values acquired during University years cannot be measured adequately or accurately through written examinations. Among these values are those received through class participation. Consequently, students are expected to attend all sessions of the courses for which they are registered.

Students may not miss more than one-fourth (25%) of the class hours in any course. If they miss more than one-fourth of the class hours in a course they will fail the course.

Students who miss more than one tenth (10%) of the class hours in a course will receive a grade reduction penalty equivalent to a 2% grade reduction for each additional hour of class missed.

Excused absences will be granted only for University sponsored activities (e.g. Kingswood Chorale, intercollegiate sports, and class or program field trips), documented extended illness, serious illness or death in the student's immediate family, or in similar extenuating circumstances. Absences will be granted by the Academic Affairs office within one week of the absence. Excused absences do not result in grade reduction, but do contribute to the one-fourth rule.

If a student is absent on the day of a pre-announced test, an automatic "0" will be received on that test, unless there are extenuating circumstances.

Students will be assessed one absence for each three times they arrive late to class or leave class early. Students arriving twenty minutes or more after the start of a class or leaving twenty minutes or more before the end of class will be marked absent.

Faculty may have additional attendance policies for a course. When this is the case, this requirement will be explained in the course syllabus. Faculty are under no obligation to repeat any class material or demonstration, either in class or in private sessions, when a student has been absent.

Academic Load

Students who take twelve or more credit hours in a semester are considered full-time students. Incoming students are normally permitted to take up to 16 credit hours per semester in their first year. Incoming

students may be advised to take less than 16 hours if their academic background is weak or if it has been several years since they have been a full-time student. Students wishing to take more than 16 hours must be sophomore, junior, or senior students and have a grade point average (GPA) of 2.5 or higher for the two previous semesters. The maximum number of credit hours permitted per semester is 19, however, a student who has maintained a GPA of 3.5 or above for the two previous semesters may, through their advisor, petition the Vice President for Academic Affairs for an exemption from this restriction.

See "Credit and Quality Points" for calculation of GPA (page 28).

Adding a Course

Students may add a course only during the first ten class days of a semester. Students must follow the proper procedures for adding a course by completing the Drop/Add form and securing the required signatures.

Dropping a Course

Courses from which a student withdraws during the second to ninth week of the semester will be recorded with a grade of W. Students must follow the proper procedures for dropping a course by completing the Drop/Add form and securing the required signatures. After week nine, courses dropped will incur an "F" unless a student can document extenuating circumstances. For information about tuition refunds see the Financial Information section of this Catalogue (page 16).

Auditing a Course

Students who wish to attend a course but not receive academic credit or a grade may audit the course. This must be indicated at registration. Students who audit a course are not required to do the course work or take any tests in the course; however, students are required to attend at least 75% of the classes in order to have the audited course recorded on their transcript.

Qualifying Semester

The first semester for students who do not have the required academic background or who are accepted as mature students will be a qualifying semester. During the semester students will not be permitted to participate in Kingswood Chorale (except for

credit), student ministry teams, intercollegiate sports, or hold student offices.

Students whose GPA is above the academic probation threshold at the end of the qualifying semester will have all restrictions removed. Those whose GPA is below the threshold will be placed on academic probation.

Academic Probation

Students will be placed on academic probation when their fall semester, spring semester, or cumulative GPA falls below the minimum academic probation threshold as set forth in the following table:

<u>Total hours</u> <u>successfully completed*</u>	<u>Minimum GPA</u>
1 - 30 credit hours	1.75
31+ credit hours	2.00

* includes hours transferred from other institutions.

Students on academic probation will be restricted to a thirteen credit hour course load. They will be required to enrol in the course, Study Methods (GE 102).

While on academic probation, students may not participate in Kingswood Chorale (except for credit), student ministry teams, intercollegiate sports, or hold student offices.

Students will not be removed from academic probation unless their semester course load is nine hours or more.

Academic Dismissal and Re-Admission

Students will be dismissed automatically for a minimum of one semester if:

1. their GPA in any fall or spring semester is 1.0 or below, or
2. their current fall or spring semester GPA is below the academic probation threshold for a second consecutive semester.

Students who are dismissed for academic reasons may apply for re-admission by contacting the Enrolment and Communications Office.

Upon receipt of all required materials, the Academic Committee will determine if there is any basis for a student's continuing study at the University. A personal interview may be requested. Students re-admitted after academic dismissal will be on Academic Probation.

A second dismissal will be for an indefinite period. A student dismissed for academic reasons may enrol in a one-week seminar course.

Late Assignments Policy

All assignments are due on the date indicated in the syllabus or verbally communicated by the professor. The policy governing the acceptance of assignments handed in late is as follows:

1. Extensions may be granted by faculty in the event of sickness, death or serious illness in the student's immediate family, or similar extenuating circumstances. Normally, extensions should be requested at least five days prior to the due date of an assignment. No extension will be granted if requested on the day the assignment is due.
2. No assigned work will be accepted after the last day of classes at the end of the semester unless an extension has been granted.
3. Assignments submitted to faculty which are past due dates, when approval to do so has not been granted, will be penalized for each weekday the assignment is late, as follows:

100 and 200 level courses – 10% per day

300 and 400 level courses – 25% per day

Students should check specific requirements for due dates in each syllabus.

Grading System

Although some professors may use numerical designation in grading, a letter system is used for the final evaluation of the student's work in a course. The grades indicate the following assessments of work:

- A Superior work. This grade represents originality, insight, and achievement beyond the requirements of the course.
- B Good work. This grade represents fulfillment of the course requirements with diligence and thoroughness, yet with something less than mastery.
- C Minimally acceptable work. This grade represents steady work at a low level of competence. It may indicate an outward or mechanical fulfillment of requirements with little personal involvement or application to studies.
- D Unsatisfactory. This grade represents work below an acceptable level. For 300 and 400 level courses, a D grade is not satisfactory for graduation (see Degree Graduation Requirement #3), therefore, any such course receiving a D grade must be re-taken. For 100 and 200 level courses, a D is adequate for graduation.
- F Failure.
- I Incomplete. This is a temporary grade which will be changed to a passing or failing grade by the end of the following semester.
- W Withdrawal from a course.
- WF Withdrawal from a course while doing failing work.
- AU Audit: no grade assigned.

Credit and Quality Points

One credit is awarded for each class hour (50 minutes) scheduled per week.

To receive credit for a course, the student must fulfill all the requirements of the course (papers, class assignments, examinations, etc.) to the professor's satisfaction and receive an acceptable passing grade in the course.

The number of quality points earned for a course is equal to the number of hours assigned to the course multiplied by the number of quality points for the letter grade earned. For example, if a student receives a B for a three-credit course, he or she will earn nine quality points for that course.

To determine a student's grade point average for a given semester, the accumulated quality points are divided by the number of credit hours attempted. For example, if a student accumulates an aggregate of 39 quality points in 15 credit hours, the GPA for that semester will be 2.6.

Numerical averages of letter grades are computed by means of quality points as follows:

<u>Letter Grade</u>	<u>QualityPoints</u>	<u>Percentage</u>
A	4.0	95% -100%
A-	3.7	90% - 94%
B+	3.3	87% - 89%
B	3.0	82% - 86%
B-	2.7	80% - 81%
C+	2.3	77% - 79%
C	2.0	72% - 76%
C-	1.7	70% - 71%
D+	1.3	67% - 69%
D	1.0	62% - 66%
D-	0.7	60% - 61%
F	0.0	0% - 59%

Contesting a Grade on an Assignment

A student may contest a grade for an assignment by discussing it first with the professor within seven days of receiving the grade. If this does not bring about satisfactory resolution, the student may bring the assignment to the attention of the appropriate Division Chair who will then discuss the assignment with the professor. The decision of the Division Chair will be final. If the professor involved is also the Division Chair, the student may bring the assignment to the attention of the Vice President for Academic Affairs.

Contesting a Final Grade in a Course

A student may contest a final grade in a course informally by discussing it with the professor upon receipt of the grade. If this does not bring about

satisfactory resolution, a student may contest the grade formally by the following procedure:

1. The student will submit to the professor, in writing, the reasons for contesting the grade.
2. The professor will respond in writing to the student within ten days.
3. If this does not bring about satisfactory resolution the student may take the grievance to the Vice President for Academic Affairs who will rule on the matter. The procedure is as follows:
 - the student must submit a written request for a review of the issue(s) to the Vice President for Academic Affairs and include a copy of the student's statement to the professor and the professor's response.
 - this request must be submitted to the Vice President for Academic Affairs by January 31 for fall grades, by June 15 for spring grades, and by October 15 for summer grades.
 - the decision of the Vice President for Academic Affairs will be final.
 - if the professor involved is the Vice President for Academic Affairs, the written request may be submitted to the Chair of the Academic Committee.

Class Standing

Class standing is based on the number of credit hours successfully completed, including those transferred from other institutions. Students are classed as follows:

<u>Year</u>	<u>Hours Successfully Completed*</u>
First year	0-29 hours
Sophomore	30-59 hours
Junior	60-89 hours
Senior	90+ hours

Plagiarism

The *Senior Dictionary of Canadian English* defines plagiarism as "an idea, expression, plot, etc. taken from another and used as one's own." Plagiarism is a serious offence in the academic community and is especially offensive in the Christian academic community since it is an act of dishonesty evidencing a lack of integrity. For this reason, any source that is quoted directly and all statements of fact or opinion that are not common knowledge must be referenced with a parenthetical reference. Plagiarism will not be tolerated at Kingswood University and normally will result in the following academic penalties:

1. a first offence will result in failure of the assignment;
2. a second offence, even if occurring in a different course than that of the first offence and/or in a subsequent semester, will result in the failure of

the course in which the second act of plagiarism occurred;

3. a third offence, even if occurring in a different course than that of the first or second offence and/or in a subsequent semester, will result in dismissal from the University.

Use of Electronic Devices in the Classroom

Computers and other electronic devices are incredibly helpful tools to assist the learning process. Students are encouraged to use them if at all possible. However, tools can be used for the wrong reasons. Because Kingswood is an expression of the body of Christ where members care for one another, professors want students to practice mutual accountability. Therefore, the following guidelines will be in place for the use of electronic devices in classrooms:

1. Computers and any other electronic devices will be used in class only for note-taking, approved class presentations, or by other direction of the professor. They will not be used for activities such as, but not limited to, messaging, playing games, watching movies, or surfing the net.
2. If a student sees a classmate using a device in an inappropriate way, student-to-student accountability is encouraged. However, if there is no resolution, or if a student feels uncomfortable with this course of action, he or she may talk to the professor. When it comes to the attention of the professor, appropriate action will be taken. The professor will not share with the offending student who did the reporting.
3. A student may lose the privilege of using his or her device if it is determined by the professor that it was used in an inappropriate way.

Graduation Requirements

A student will be granted a degree upon meeting the following conditions:

1. Successful completion of all program requirements.
2. A minimum of 30 credit hours, and the last 30 credit hours preceding the conferring of the degree, earned at Kingswood University.
3. A letter grade of "C-" or above attained in all 300 and 400 level courses.
4. A minimum cumulative grade point average of 2.0.
5. Full payment of all financial commitments to the University.
6. Graduates must be of high moral standing and have a committed discipling relationship with the Lord and Saviour.

Additional graduation requirements may apply to some degree programs.

Graduation Honours

The following honours are awarded to graduates in bachelor's degree programs. Students who transfer to Kingswood University must have completed two years at the University in order to qualify for graduation honours.

1. In recognition of academic achievement, graduates with superior grades will be designated as follows:

<i>Cum Laude</i>	3.4 or above
<i>Magna Cum Laude</i>	3.6 or above
<i>Summa Cum Laude</i>	3.8 or above
2. Recipients of the Valedictorian and Salutatorian awards are chosen by the faculty, primarily for high academic achievement.
3. Recipients of the Delta Epsilon Chi Honour Society award are chosen by the faculty on the basis of having achieved a cumulative grade point average of not less than 3.3 and demonstrated an outstanding Christian character and leadership ability. This award is made available through the Association for Biblical Higher Education (ABHE).

August Graduates

Students in bachelor's degree programs who, at the time of graduation, are no more than two courses (maximum six credit hours) away from completing their program of study may be granted permission by the Vice President for Academic Affairs to participate in Commencement with the designation August Graduate. This provision also applies to students who are completing their Supervised Ministry Experience during the spring semester if the supervised ministry marks the conclusion of their academic work. In the event that all course work is not completed by August 31 of that year, graduation will be withheld until Commencement of the following year. Such students will not be permitted to participate in Commencement a second time and will graduate *in absentia*.

Off-Site Degree Completion

Although it is required that the last 30 credit hours preceding the conferring of a degree must be earned at Kingswood University (Graduation Requirement #2), there may be circumstances which would qualify a bachelor's degree student for an exemption to this policy. In the event that a spouse has accepted employment at a distance greater than 125 kilometres from campus, students may apply for an exemption to Graduation Requirement #2. Students who wish to be considered should request a copy of the Policy on Degree Completion from the Academic Department a minimum of eight weeks before leaving campus prior to the beginning of a supervised ministry, student teaching, or proposed off-site degree completion.

ACADEMIC PROCEDURES

Academic Year

The University operates with two semesters each year. The first semester concludes prior to Christmas and the second semester concludes in late April or early May. Each semester is fourteen weeks, including exam week.

One-Week Intensive Courses (Seminars)

The University offers a variety of courses in a one-week modular format the week before each semester. These are weeks of concentrated study which employ adjunct faculty from across the church who share their knowledge and experience with students. Students complete pre-course and post-course assignments to make these weeks valuable learning experiences.

Although primarily designed to meet the academic requirements of students at the University, pastors and lay ministers are encouraged to take advantage of the one-week intensive courses.

Faculty Advisor

Upon enrolment, each student is assigned a faculty advisor who will guide the student through his or her Kingswood experience. The advisor will help the student with academic matters such as program and course selection and will serve as a friend and counsellor throughout the student's university career.

Students whose GPA is below 2.0 at the end of any grading period will be encouraged to meet with their advisor for specific guidance in this area.

Registration

Each semester students meet with their assigned faculty advisor for the selecting of courses for the following semester. Students are expected to register in person at the designated appointment time.

Learning Disabilities

Kingswood desires to support all students in fulfilling the unique call of God in their lives including their academic success. To this end, the University is able to provide some support for students who have documented learning disabilities. Examples of support include making accommodations for test and lectures, and offering tutoring for study skills and improved learning. The University ultimately determines the types and extent of support offered. Kingswood will not accommodate a student to the extent that educational experiences and integrity are compromised for the student or for other students in the course.

Students who have a diagnosed learning disability must inform the Academic Affairs Office prior to initial registration if they wish to request accommodation of any form. Professional, current documentation that establishes the nature of the disability and the recommendations for accommodation must be provided. The Vice President for Academic Affairs will meet with each student who provides documentation and subsequently notify faculty of suggested accommodations.

Student Success Centre

The Student Success Centre, located in the Earl and Marion Trouten Library, exists to promote the academic success of all students. The Centre is supervised by the Associate Vice President for Academic Affairs and staffed by student volunteers. Assistance is available in areas such as organization, reading, writing, research, test preparation, and proof-reading. The Centre is open three to four hours per day, Monday to Friday, and at other times as needed.

Course Numbering

Courses are classified in the following manner:

First-year courses - 100s

Second-year courses - 200s

Third-year courses - 300s

Fourth-year courses - 400s

300-400 numbered courses (upper division) will need to be preceded by 100-200 (lower division) course preparation.

Students may register for a course that is one year above their classification provided necessary pre-requisites have been met and only with permission from the professor and the Vice President for Academic Affairs. Any course may be withdrawn due to insufficient enrolment.

Change of Program

Current students desiring to change their program of study must see their faculty advisor to do so. Students must submit a Change of Program form to the Academic Affairs office. Program changes will only be processed in the first two weeks of the semester.

Second Degree

Students wishing to earn a second bachelor's degree must take at least thirty credit hours above that which is required for the first degree and meet the specific requirements of the additional degree.

Withdrawal from the University

A student wishing to withdraw from the University must complete the necessary withdrawal form,

available from the Academic Affairs Office at 63 Summit Avenue.

Changes to Programs and/or Requirements

Any changes in University programs and/or requirements become effective when a new catalogue is published. In such instances a student is permitted to graduate under the catalogue provisions at the time of enrolment. If a student changes program or withdraws and later re-enrols, the requirements at the time of change or re-enrolment will be those which the student must meet.

Directive/Independent Study

Directive/Independent studies are closely monitored courses designed to allow upper division students to resolve class conflicts or other emergencies which may arise in the normal course of studies, or for those who desire to go beyond regular course requirements to research a particular area of interest.

Requests must be initiated by the student's faculty advisor in consultation with the student. Registering for such courses must be completed during pre-registration. Students are responsible for obtaining the signatures required on the Directive/Independent Study form.

Students cannot take more than two directives or independent studies in any one semester, or more than a total of twelve credit hours of directive study during their course of study at the University.

Once a student has registered for a directive or independent study, a contract exists between the professor, the student, and the University. Violation of the contract by not completing the course by the due date will result in failure of the course. There is no withdrawal policy for directive or independent study courses. Normal allowable time for completion is three months.

Transferring from Other Institutions

Students can transfer a maximum of 98 credit hours into a bachelor's degree program and a maximum of

30 credit hours into an associate's degree program. Grades for courses transferred must be at least C-, though the grade will not be recorded or calculated in the student's GPA.

A student who is on academic probation at another institution and is accepted for study at Kingswood will be placed on academic probation for at least one semester. A student dismissed from another institution will be required to wait a minimum of one semester before enrolling.

Transferring to Other Institutions

Students from Kingswood University transferring to other colleges are encouraged to contact the college or university they wish to attend regarding their policy on transferring of credits.

Advanced Placement

Students with grades 3, 4, or 5 on Advanced Placement (AP) examinations or grades 5, 6, or 7 on International Baccalaureate (IB) examinations may be awarded transfer credits up to a maximum of eighteen credit hours. Official Advanced Placement or International Baccalaureate reports must be submitted to the Registrar for credit to be awarded. Students with other advanced placement credits should contact the Registrar's office for further information.

Transcripts

Transcripts are issued upon request from the student. The first request is free, subsequent requests are \$5.00 each, payable before a transcript can be released. Grades and transcripts cannot be released unless all financial obligations to the University have been met.

Dean's List

Full-time students who achieve a semester grade point average of 3.5 or above are given the distinction of being on the Dean's List, published by the Vice President for Academic Affairs at the close of each semester.

BACHELOR'S DEGREE PROGRAMS

The University is committed to providing quality training for students preparing for a broad range of culturally relevant, results oriented and relationally based ministry. Kingswood is noted for preparation that stresses both theoretical education and practical training of the head, hands, and heart for ministry.

BACHELOR OF ARTS (MINISTRY)

The Bachelor of Arts (Ministry) program of study is designed to train students for multiple types of ministries. In addition to excellent classroom instruction, B.A. (Ministry) students complete a four-to six-month in-depth supervised ministry experience under the direct supervision of a qualified ministry leader in their field of study. During this time, students are exposed to the broad range of ministries within a local church or parachurch ministry. This supervised ministry experience gives opportunity for students to sharpen and focus ministry skills learned in the classroom. Students are also required to complete a minimum of three student ministry assignments.

Students completing the B.A. (Ministry) degree will have met the academic requirements for licensing in The Wesleyan Church. Students may elect to complete academic requirements for ordination in The Wesleyan Church. Depending on the selection of

track and/or minor, this may necessitate a ninth semester at Kingswood.

Purposes of the B.A. (Ministry) program

1. to acquaint the student with the work of ministry in multiple settings.
2. to provide a theoretical foundation for a life of intellectual and spiritual development.
3. to assist the student in developing a philosophy of ministry.
4. to provide specific course work and practical experience to enhance the student's ability to function as a leader in the Christian ministry.

Objectives of the B.A. (Ministry) program

Graduates will:

1. demonstrate an understanding of and appreciation for the central doctrines of the Christian faith and articulate them clearly.
2. show an ability to view contemporary society with a biblical perspective and, in light of the

historical past, make possible a clearer understanding of the present, a broader foundation of faith, and a deeper appreciation of our Christian heritage.

3. skilfully interpret, expound, and proclaim the Word of God through word and deed.
4. accept leadership and function competently in a variety of church and parachurch ministries in North America and around the world.
5. demonstrate a maturing Christian walk through the practice of prayer, the exercise of faith, edification through the Word, and obedience to the Holy Spirit.

Electives in the B.A. (Ministry) program

The B.A. (Ministry) program affords students the option to customize their degrees, allowing them to select electives which match their gifts, interests, calling, and future plans. Students may elect to follow a specific ministry track or they may complete the B.A. (Ministry) degree without following a designated track.

- Christian Counselling
- Church Planting
- Educational Ministry
- Global Ministry
- Pastoral Ministry
- Youth Ministry

MINISTRY TRACKS

CHRISTIAN COUNSELLING TRACK

The Christian Counselling track is designed to train students in recognized counselling methods and techniques. The degree also emphasizes the importance of blending strong biblical and spiritual principles with appropriate therapeutic disciplines.

Objectives of the Christian Counselling Track

Graduates will:

1. develop competence and confidence in utilizing Christian counselling skills at an introductory level.
2. develop a philosophy of Christian counselling which is Christ-centred and therapeutically relevant.
3. complete a self-examination of personal preparation for an effective ministry in Christian counselling.
4. grasp counselling theory and a knowledge of basic skills.
5. be prepared to serve in a local church or to continue their education by pursuing a Master's level degree through which the student will further equip themselves for church based ministry or community based service.

This is not a degree program in professional psychology, nor is it a terminal degree for those who are pursuing licensure to practice.

Kingswood University has entered into articulation agreements with Indiana Wesleyan University, Asbury Theological Seminary, and Roberts Wesleyan College, by which completion of this degree will prepare a student for acceptance into one of these Master's level institutions.

The Christian Counselling track is built on the B.A. (Ministry) core and includes the following courses:

General Education	Credits
Adolescent Psychology	3
Child Psychology	3
Developmental Psychology	3
Introduction to Addictions	3
Introduction to Counselling	3
Psychopathology	3
Ministry	Credits
Crisis Counselling	3

Marriage & Family Counselling	3
Total credit hours	120

CHURCH PLANTING TRACK

The Church Planting track is a four-year program designed to prepare students either to lead or be part of a church planting team in effectively launching and growing healthy, culturally-relevant church planting projects.

Graduates are exposed to proven church planting and church growth principles and strategies. All church planting classes are taught by those who have first-hand experience in church planting. To maximize the integration of classroom instruction and real life experience, students visit a number of recent church plants and serve in a church plant for a four- to six-month supervised ministry experience under the supervision of an effective church planter.

The Church Planting track is built on the B.A. (Ministry) core, plus the following courses:

General Education	Credits
Church History (<i>meets history requirement</i>)	3
Denominational History & Polity (<i>Wesleyan History & Discipline for Wesleyans</i>)	1.5

EDUCATIONAL MINISTRY TRACK

The command to make disciples in Matthew 28:20 includes the command to teach. Following Jesus' example as the Master Teacher, students enrolled in the Educational Ministry track, learn the theoretical and experience the practical aspects of the broad range of a teaching ministry, both inside and beyond the local church. There is room within the program for students to take electives to allow them to focus on a particular age-group or aspect of teaching ministry. However, students interested in focusing on

school teaching should take the B.A. (Christian School Education) degree.

The Educational Ministry track is built on the B.A. (Ministry) core, plus the following courses:

General Education	Credits
Educational Psychology	3
History & Philosophy of Christian Education (<i>meets History requirement</i>)	3

BACHELOR OF ARTS (CHRISTIAN SCHOOL EDUCATION)

The Bachelor of Arts (Christian School Education) degree is designed to prepare teachers with professional competency and a biblical philosophy of education for leadership in the Christian school classroom and movement.

Central to the program is the acknowledgement that "all truth is God's truth." Prospective teachers are guided in the development of an approach to education which recognizes the synthesis of God's Word and a study of His creation as accomplished through education.

B.A. (Christian School Education) students spend fourteen weeks observing and teaching in Christian school classrooms at two different grade levels under the direction of qualified cooperating teachers and under the supervision of the Program Director for Christian School Education. Students are also required to complete a minimum of three student ministry assignments. At least two assignments must be completed in a school setting.

Teacher Certification

The components of the Christian School Education program meet the requirements for teacher certification with the Association of Christian Schools International (ACSI).

3. demonstrate knowledge of age appropriate curriculum and experiences for the elementary classroom and beyond.

4. evidence an ability to relate productively with students, parents, colleagues, and school administration.

MINOR PROGRAMS OF STUDY

A minor program of study consists of 18 distinct hours of study (usually six courses) in a specific ministry area. Students may wish to follow a minor program of study in addition to their bachelor's degree program.

Courses credited towards a degree or track cannot also be credited towards a minor. For example, a student enrolled in the Christian Counselling track and the Youth Ministry minor cannot count Adolescent Psychology towards both the track and the minor. An alternate course will need to be selected for the minor.

The selection of some combinations of tracks and/or minors may require more than 120 hours to complete. In some cases, adding a minor to a degree program will necessitate adding a semester to the student's program, thus taking four and a half years to complete the degree,

Children's Ministry Minor

Students enrolled in the Children's Ministry minor will be equipped to serve as a leader in an effective children's ministry program in a church or parachurch organization. The program is grounded in Christ's love for children as expressed in His words "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these" (Matthew 19:14, NIV).

In addition to the courses required in the student's degree and track, students taking a minor in Children's Ministry will be required to take:

Since students may have a wide array of musical interests, the Music Ministry minor is intentionally designed to accommodate a student's personal educational goals within the range of classes currently offered for the Music Ministry degree. Some students may be interested in music scholarship and elect to fill their quota of classes with classes on Music Theory and Music History. Others may be more interested in practical musical development and elect to study classes on Worship Leading and Song Writing. Numerous combinations are possible depending on course sequencing, pre-requisites and student interests.

In addition to the courses required in the student's degree and track, students taking a minor in Music Ministry will be required to take:

ASSOCIATE OF ARTS (EVANGELISM & COMPASSION MINISTRY)

The Associate of Arts degree in Evangelism and Compassion Ministry is designed to prepare students to serve and lead in evangelism and compassion ministry in various settings. The course of study embraces both the great commission (Matthew 28:19-20) and the great commandment (Matthew 22:37-39) as essential to Christian witness, and uses the head (knowing), heart (being), hands (doing) method of disciple-making that Jesus modeled in the Scriptures. As well as a strong Christian community and excellent classroom instruction, there is a strong experiential component that allows students life-on-life encounters with lost and hurting people in their own cultural context, in large urban centers, and in another culture. CERTIFICATE PROGRAM

TESL – TEACHERS OF ENGLISH AS A SECOND LANGUAGE

The TESL Certificate provides a thorough introduction to the concepts, theory, and methods related to teaching English as a second language. Such preparation helps graduates to instruct competently in local or international settings, such as creative-access countries where traditional ways of doing mission are prohibited.

The TESL Certificate is offered through The Summer Institute of TESL, a ministry of Kingswood University. The Certificate represents 100 classroom hours of instruction plus twenty practicum hours in a multicultural environment. TESL in Canada is equivalent to TESOL in the United States.

Students may choose to earn a Basic Certificate in TESL or the Basic Certificate in TESL with university

credit (six credit hours). Depending on the program of study, these hours may fulfill elective or other course requirements.

In order to receive a Basic Certificate in TESL, students must complete all components of the course. In addition, students using this course to meet degree requirements must earn a "C-" or above.

Students following the Global Ministry track or Global Ministry minor are strongly encouraged to take TESL as part of their preparation for cross cultural ministry

Student Ministries

In all bachelor's degree programs, students must earn three student ministry credits. These credits must be earned throughout the degree program in order to assist in the integration of classroom learning with practical learning experience. In the General Education associate's degree program students must earn two student ministry credits.

The Student Ministries Handbook provides detailed information concerning student ministry assignments and requirements. Selection of assignments is made in consultation with the Director of Student Ministries and the student's faculty advisor. All student ministry assignments must have the approval of the Director of Student Ministries. The handbook can be found on the University website at www.kingswood.edu/forms.

Supervised Ministry Experience

All B.A. (Ministry) and B.A. (Music Ministry) students spend four- to six-months in full-time supervised ministry in the final year of their degree program. Students work under the direction of a University faculty member and a field supervisor ministering in the student's area of study. This experience includes writing elements to allow students to process and reflect on their experiences. This is a nine or twelve credit-hour assignment.

The *Supervised Ministry Handbook* provides detailed information concerning all aspects of this program from placement through debriefing. Students should acquire the current version of the Supervised Ministry Handbook in the fall of their sophomore year and begin working with the Director of Student Ministries and their Program Director to secure an appropriate placement. The handbook can be found at www.kingswood.edu/forms.

The final segment of the Supervised Ministry Experience is a debriefing seminar. This seminar allows students returning to campus after their time of ministry to continue reflectively processing their experience in a group setting for mutual benefit. This seminar is facilitated by the Director of Student Ministries and individual program directors. Students who are unable to participate in this debriefing due to distance from campus are debriefed by other means.

This nine or twelve credit-hour assignment may not be completed until all other Christian School Education requirements have been completed. The assignment is completed under the direction of a qualified cooperating teacher and the supervision of the Christian School Education program director. Student Teaching placement is done under the supervision of the Christian School Education program director.
