A WORD FROM THE PRESIDENT

Kingswood University exists to serve Jesus Christ by strengthening the local and global church through forming Christ-like servant leaders in a community that creatively blends academic excellence and practical ministry experience with intentional spiritual formation.

This is the mission Kingswood University has been seeking to accomplish for over 75 years, preparing men and women to serve Christ by strengthening His church. At Kingswood, students discover the truths of God's world and Word. The Bible is the heart of our curriculum. It isn't the only textbook we use, but it is the standard against which we measure everything else.

From the very first month, students dive into a wide variety of ministries. Most programs culminate in a four-month Supervised Ministry Experience in a church, school, or cross-cultural context. This experience is the gold standard in ministry preparation.

Most important, Kingswood students experience the transforming power of God's Spirit throughout campus life. Chapel services are rich times of worship and learning. In the classroom, professors seek to impart not only information, but wisdom. Residence life and athletics offer a wealth of opportunities for students to grow into the leaders God has called them to be.

Our students love learning amid the beauty of this area, minutes away from some of North America's most wondrous sites, like the Bay of Fundy. They also relish the opportunity to take the gospel to our own community and those metropolitan areas a short drive away.

The proof of Kingswood's effectiveness can be seen in our alumni, now serving God in 27 countries, 10 provinces, 42 states, and over 20 denominations. Across North America and around the world, Kingswood graduates are known as well-prepared servants of Christ and His Church.

Whether you are seeking to prepare yourself for vocational ministry, to be more effective in ministry through your vocation, or just to discover what God might have in store next, Kingswood is an excellent choice. Why not come for a visit? You'll quickly discover the "Kingswood difference"!

To those who have already made the decision to become part of the Kingswood experience, welcome to the family.

For the King and Kingswood,

Stephen J. Lennox, Ph.D.
President, Kingswood University

MISSION & CORE VALUES

**Kingswood University exists to serve Jesus Christ
by strengthening the local and global church
through forming Christ-like servant leaders
in a community that creatively blends
academic excellence and practical ministry experience
with intentional spiritual formation.**

We are committed to ...

- upholding the authority and inspiration of the Bible;
- proclaiming the whole Gospel; for the whole person throughout the whole world;
- encouraging each person to become a fully devoted follower of Jesus Christ;
- providing a theological context that respects and serves the broader church;
- operating from a Wesleyan/Arminian theological perspective;
- supporting the doctrine and lifestyle expectations of The Wesleyan Church.

GENERAL INFORMATION

Doctrinal Statement

Owned by The Wesleyan Church, Kingswood upholds the Articles of Religion as found in *The Discipline of The Wesleyan Church*, which includes the following summary of doctrinal beliefs:

We believe in God the Father, the Son, and the Holy Spirit.

We believe that Jesus Christ the Son suffered in our place on the cross, that He died but rose again, that He now sits at the Father's right hand until He returns to judge every person at the last day.

We believe in the Holy Scriptures as the inspired and inerrant Word of God.

We believe that by the grace of God every person has the ability and responsibility to choose between right and wrong, and that those who repent of their sin and believe in the Lord Jesus Christ are justified by faith.

We believe that God not only counts the believer as righteous, but that He makes such persons righteous, freeing them of sin's dominion at conversion, purifying their hearts by faith, perfecting them in love at entire sanctification, and providing for their growth in grace at every stage of their spiritual life, enabling them through the presence and power of the Holy Spirit to live victorious lives.

Goals

In the accomplishment of the mission of the University, the specific goal of Kingswood University is to enrich the knowledge, skills, and Christ-like disposition of ministers of all types - pastors, missionaries, children's and youth pastors, church planters, worship leaders, teachers for Christian schools, general Christian service workers, and committed lay people who will strengthen the local and global church. This is to be achieved by guiding student development in:

- an appreciation for their role in the church universal (through space and time);
- an understanding and experience of what it means to be a well-rounded wholesome

Christian, physically, mentally, emotionally, socially, and spiritually;

- a formation of a biblical worldview, incorporating a biblical sense of values, an understanding of God's plan for their lives, and their privileges and responsibilities in contemporary life;
- an understanding of the way academic excellence and practical ministry experience are inseparably intertwined with intentional spiritual formation.

Institutional Objectives

Kingswood graduates will:

- demonstrate a greater knowledge of the Bible and the central doctrines of the Christian faith;
- articulate a developing biblical worldview based on study and experience, and which impacts all areas of life;
- apply research and critical thinking skills for independent research and effective communication of truth;
- develop as Christ like servant leaders, exhibiting ongoing development in all areas of life;
- reflect on ministry experiences in church and parachurch settings.

History and Heritage

Kingswood University was founded in October 1945 in Woodstock, New Brunswick by the Alliance of the Reformed Baptist Church of Canada. Known as the Holiness Bible Institute, its primary purpose was the training of ministers to serve the Reformed Baptist Church within the Atlantic region. In 1947, the school was relocated to Yarmouth, Nova Scotia and renamed Bethany Bible College. In 1965, Bethany relocated a second time, to the present location in Sussex, New Brunswick.

In July 1966, the Alliance of the Reformed Baptist Church of Canada joined the Wesleyan Methodist Church. Two years later, in June 1968, the Wesleyan Methodist Church merged with the Pilgrim Holiness Church to form The Wesleyan Church.

Over the course of time, the University has made advances academically. In May 1970, the General Board of Administration of The Wesleyan Church authorized Bethany Bible College to award the Bachelor of Arts Degree in Religion, the basic four-year program for those entering full time ministerial service. In 1983, the Province of New Brunswick, through official legislations, authorized Bethany to grant church related degrees.

In 2011, Bethany Bible College was renamed Kingswood University.

Accreditation

Kingswood University has been accredited by the Association for Biblical Higher Education (ABHE), Commission on Accreditation to grant certificates and degrees at the Associate, Bachelor, and Master's level, receiving initial accreditation in 1987. Accreditation was reaffirmed in 2019. ABHE is the major North American accrediting agency for biblical higher education and is recognized by the United States Department of Education.

Alumni Association

Kingswood has a growing alumni organization with members in various parts of the world. Those serving in vocational ministry fill such vital roles as pastors, church planters, missionaries, Christian educators, and chaplains. Many others serve the Church as qualified lay people. The primary objective of the Alumni Association is to promote the welfare of the University by being informed of its needs and progress, contributing prayerfully and financially to its support, and alerting the public to its values.

Kingswood and the Community of Sussex

Kingswood is located in the town of Sussex which has a population of approximately 5,000 and is nestled in the beautiful hills of the Kennebecasis River Valley. It is well-suited for the outdoor enthusiast, being a short drive from various ski resorts, Fundy National Park, and the Bay of Fundy, which boasts the highest tides in the world. Sussex is conveniently located along provincial highway 1 providing easy access to Moncton, Saint John, and Fredericton, the capital of New Brunswick. Sussex is also within a two-hour drive of the state of Maine and is therefore not far from some of the major cities of the north-eastern United States, such as Boston, Massachusetts.

Campus Resources

The campus is situated on fifty-seven acres of land overlooking the town of Sussex.

The Saunders Irving Chapel is the focal point of the upper campus. In addition to the chapel, the building houses Wesley Hall meeting facilities. The Enrolment, Communications, and Academic Departments are housed on the upper campus with faculty offices in close proximity.

The upper campus is also the site of four student residences, Stairs Hall containing the Greg Mann Dining Commons and classrooms, the Mitchell Student Centre, which includes recreation facilities, the Solid Grounds Café, lounge, and Campus Life office. The Benson Athletic Complex is easily accessed from the upper campus.

The lower part of the campus is located along Main and Western Streets. Nicholson Hall contains the Earle & Marion Trouten Library and the Student Success Centre. The Burbury Administration Centre accommodates administrative offices, including the Finance and Donor Engagement offices, the President's office, and the Kingswood University Counselling Centre. Both these buildings also house classrooms.

The Nutrien Civic Centre, for which resident students hold membership, is adjacent to the lower campus. Facilities at the Civic Centre include a 25-metre competition pool, an indoor walking/running track and fitness equipment.

ENROLMENT INFORMATION (UNDERGRADUATE)

ADMISSION POLICIES

General Requirements

Prospective students are assessed according to academic background, moral behaviour and character, personal Christian testimony, and ministry graces. In the process, applicants' complete academic record, recommendations, plans, and personal information are reviewed. If applicants meet the required standards in these areas, they are admitted to the University. The University does not discriminate based on race, colour, national origin, age, or gender in admission to, treatment in, or employment in its programs and activities.

Academic Requirements

Applicants must have a high school diploma or equivalent and achieve satisfactory grades in the following Academic or College preparatory level courses in grades 10, 11, or 12:

- 2 English credits
- 2 Math or Science credits
- 2 Social Studies credits (e.g., history, sociology, geography, civics, psychology)

Students without the necessary background or grades may be admitted on a conditional basis. The first semester or term for these students will be a qualifying period.

Character Requirements

Applicants are expected to be of high moral character and are therefore expected to be a minimum of six months from participation in tobacco products, non-prescription drug use, alcohol, pornography, inappropriate sexual relationships, gambling, and occult activities.

Ministry Graces

The mission of Kingswood University, as a single-focus institution, requires that an applicant possess natural skills and temperaments appropriate for ministry. In some cases, an applicant may be asked to complete additional testing to help in this evaluation.

ADMISSION PROCEDURES

Applications and information may be obtained online (www.kingswood.edu/admissions) or from the Enrolment Office (506-432-4422 or 888-432-4422). Applications for admission should be made early so that necessary arrangements for entrance may be made. However, applications will be received up to one week before the last day to enrol (see Academic Calendars). In no case will a student be permitted to enrol more than two weeks after the beginning of the semester.

All applicants must submit the following to the Enrolment Office.

- Application for Admission - Applications may be made online through the University website (www.kingswood.edu/admissions/apply-now) or submitted to the Enrolment Office: Kingswood University, 26 Western Street, PO Box 5125, Sussex, New Brunswick, Canada, E4E 5L2. A non-refundable \$40 application fee must be submitted with the application. All questions on the application form are to be answered or marked N/A if not applicable.
- Transcripts - All secondary, and post-secondary transcripts where applicable, are required to assess a candidate for admission. Transcripts are to be sent directly to the University. Applicants will need to ask their high school guidance counsellor to send a transcript to the University. Transcripts may be reviewed for admission at the completion of the applicant's grade 11 year. An official transcript certifying graduation will be required for enrolment.
- Reference Form - All applicants must have the Pastoral reference form completed according to the instructions on the form. This form must be received to make an evaluation.

All applicants accepted for on-campus classes must submit the following before enrolling:

- Health Records - A completed Student Health Data Form must be submitted. U.S. and other international students are required to purchase medical insurance provided through the University.

- Scholarships & Grants Application - All accepted applicants are expected to make adequate financial arrangements. Applicants **wishing to apply for scholarships and grants through the University must submit a Scholarships and Grants Application.** Specific opportunities for financial assistance through the University are listed in the Financial Information section of this Catalogue.
- Room/Tuition Deposit - A \$100 room/tuition deposit must be submitted by all students prior to enrolment. Details can be found in the Student Handbook and the Financial Information section of this Catalogue. To be eligible for entrance scholarships, the deposit must be received by May 1, 2023. Further information regarding entrance scholarships is online at: www.kingswood.edu/admissions/financial-aid/scholarships.

All applicants accepted for online classes must submit the following before enrolling:

- Tuition Deposit - A \$100 tuition deposit must be submitted by all students prior to enrolment. Details can be found in the Student Handbook and the Financial Information section of this Catalogue.

Applicants for both on-campus and online studies must submit all required forms and transcripts before they may enrol. All acceptances are contingent upon continued Christ-like character development. Accepted students are to abide by all expectations regarding moral conduct as described by the Student Handbook.

Home Schooled Students

Because all home school experiences are different, applicant files are reviewed on an individual basis. Applicants must submit an official high school transcript for grades 10-12 with the course names, credit values, and grades earned. Supporting documentation must be provided indicating curriculum or program used, course descriptions, and assessment process. Additional information may be requested.

Upon evaluation of the transcript, students may be required to submit one of the following as further evidence of readiness:

- Third-party test results, such as SAT, ACT, or

GED scores, sent directly to the University from the testing agency, or;

- A college or university transcript showing courses taken as part of a homeschooling experience; where appropriate, transfer credit may be awarded for such courses.

Mature Students

Kingswood may accept into a degree program a limited number of mature students whose academic background is deficient in some respects. The first semester or term for these students will be a qualifying period. Mature student applicants must complete all the forms previously mentioned and will be given consideration if they meet the following requirements:

- evidence of being 21 years of age before registration;
- evidence of at least two years of responsible activity since attendance at school;
- evidence of ability to profit from university study;
- successful completion of a General Education Development test (GED) or its equivalent.

Early Enrolment

High school students in grade 12 may enrol for up to six hours of university courses per semester, on-campus and/or online. Students must have an average of at least 85% (3.3 on a 4.0 scale) and must have written approval of their parent or guardian and the high school they attend. Applications may be made online (www.kingswood.edu/admissions/apply-now) or by contacting the Enrolment Office.

Transferring From Other Institutions

The transfer applicant is to complete the required forms as above. In addition to this, the applicant must request an official transcript to be sent directly to the University from all schools attended. Credits being transferred to Kingswood must be from a recognized accredited institution and have at least a "C" grade. The University will only transfer those credits that can be applied directly toward the desired program of study at Kingswood.

Students transferring credits to Kingswood must take at least thirty hours through Kingswood to earn a Kingswood degree, even though they may have more than the required number of hours for graduation. This must be the final year of the

program unless special arrangements have been made with the Vice President for Academic Affairs.

A student who is on academic probation at another institution and who is accepted to study at Kingswood will be placed on academic probation for at least one semester. A student dismissed from another institution must wait a minimum of one semester before enrolling at Kingswood.

See page 37 for the details about transferring credit and page 24 for information about the President's Scholarship program requirements for transfer students.

Part-time Non-degree Study

A part-time applicant wishing to take for-credit courses without enrolling in a degree program may do so by submitting an application form. No transcripts or references are necessary for Kingswood courses not requiring prerequisites. Transcripts will be made available upon request after the course is completed and paid in full.

Re-enrolment

A student who has withdrawn from the University for any reason must apply for re-enrolment through the Enrolment Office. If it has been two years or less since the student was last enrolled at the University, it may not be necessary to complete the entire admission process. The student should complete a new application form indicating on the form that they are applying for re-enrolment. Students who re-enrol return under the same academic standing as when they withdrew from Kingswood. Students must meet the academic requirements of the program in effect at the time of re-enrolment.

Re-enrolment following Dismissal

Students who were dismissed from Kingswood will need to provide the following items in addition to completing an application form:

- an updated pastoral reference;
- a letter of intent indicating progress made since dismissal;
- transcripts of courses completed since the last attendance at Kingswood, if applicable.

Applications for re-enrolment following dismissal will be accepted up two weeks prior to the first day of classes in the semester.

Students who were dismissed for academic reasons will return on academic probation.

International Students

An individual wishing to enter Canada as a student must have the following documentation upon entry:

- a valid passport;
- evidence of acceptance from the University;
- evidence of sufficient funds for living expenses, full tuition, and all other necessary expenses, including return transportation. This may be in the form of a bank draft or a notarized letter from a parent, guardian, or sponsor indicating full financial support while studying in Canada.

Students from the U.S. will be issued a student authorization form (student visa) upon fulfillment of the above requirements. Immigration Canada will charge a fee of \$150 (Canadian funds, payable by cash, certified cheque, MasterCard, or Visa) for the student visa.

Applicants from countries other than the U.S. must obtain their Canadian Student Visa prior to traveling to Canada. They are also required to have proper medical documentation before leaving their own country and should contact a local Canadian Consulate for additional immigration requirements for their country. Part-time students, taking less than twelve credit hours per semester, pay \$390 per credit hour.

Tuition – Online

Tuition for online students is charged a rate of \$390 per credit hour.

Audit Fee

A \$100 per credit hour fee is charged to part-time students who wish to attend a course, but not receive credit. Full-time on-campus students may audit up to four hours per semester free of charge. If they audit more than four hours, they will be charged the regular audit fee for each hour over the four-hour limit. Students who audit music lessons may have the audit fee waived but will still pay the

music lesson fee. Spouses of full-time students may audit on-campus courses free of charge.

Early Enrolment

Students currently in grade 12 (senior) who take courses through the Early Enrolment program pay \$100 per credit hour.

Senior Citizen's Rate

Individuals 60 years of age or over are charged one-half of the tuition or audit fee for the courses taken.

Tuition Deposit

After initial acceptance, all off-campus and online students must submit a \$100 tuition deposit before they can pre-register for classes. Upon enrolment, this fee will be applied to the student's account.

Individuals who have paid this fee but do not plan to attend Kingswood are eligible for a full refund if they submit a written request prior to July 31 for the fall semester or December 31 for the spring semester. If a written request is not received by these dates, the tuition deposit will not be refunded.

Music Lesson Fee

This is the charge for 30 or 45 minutes of private instruction per week. In addition to the lesson fee, one credit hour or audit hour will be added to the number of credit hours charged.

Room Fee

This fee is the charge for a dual occupancy residence room. The residences are closed for Christmas and March breaks and reopen the day before classes resume. The first meal is served at noon on this day.

Room furnishings include drapes, bed, mattress, dresser, chair, and study desk. Bed and bath linens are not provided by the University. Students are responsible for the care of the room they occupy, and the furnishings allotted to them.

Single Occupancy Fee

Subject to the occupancy level, private rooms may be available. Requests are to be indicated on the Room Reservation form.

Room Fee/Damage Deposit

All resident students must submit a \$100 room reservation fee/damage deposit to ensure a room assignment in the resident hall. Students submitting

A written request must be submitted prior to July 31 for the fall semester or December 31 for the spring semester. If a written request is not received by these dates, the room reservation fee/damage deposit will not be refunded.

At the end of the academic year this fee may be used to secure a room assignment for the next fall semester. If the assigned room was damaged, costs incurred for repairs will be deducted from this fee or refund amount. The room reservation fee/damage deposit must be maintained at the \$100 level to ensure a room assignment for the next fall semester.

When a town house apartment is assigned, a \$400 housing deposit must be submitted to secure that apartment. Private Loans

Private loans are available to students with a co-signer. Contact Sallie Mae at www.salliemae.com. Choose "Private Student Loan" option.

Disbursement of Loans

Loans come in two disbursements, mid to late August and late December or early January.

U.S. SATISFACTORY ACADEMIC PROGRESS POLICY

The U.S. Department of Education regulations stipulate that students must maintain certain academic standards in order to remain eligible for all types of U.S. Direct Loans. The Satisfactory Academic Progress Policy (SAP) applies to all students applying for US Direct Loans under Title IV of the US Higher Education Act. These types of loans include Direct Loans (Subsidized and Unsubsidized) and Direct Parent PLUS loans.

Satisfactory Academic Progress Evaluation

All students enrolled at Kingswood University have their Satisfactory Academic Progress (SAP) assessed by the Director of Financial Aid at the end of each semester to determine eligibility for continued Financial Aid.

A student is considered to be making satisfactory academic progress when he or she:

- meets minimum grade point average requirements each semester.
- completes the program of study within the maximum allowable time frame.
- does not repeat any course more than twice.

Minimum Requirements for Degree Students

A student is considered to be making satisfactory academic progress when he or she:

- successfully completes 75% of attempted credit hours each academic year (quantitative assessment);
- achieves a minimum semester GPA as outlined in the chart below (qualitative assessment):

	1st & 2 nd	3 rd & subsequent
Minimum Hours Attempted	12	12
Quantitative: Credit Hours earned	9	9
Qualitative: Semester GPA	1.75	2.0

Financial Aid Warning

Students who fail to achieve the required minimum standards of academic progress after one semester, will receive a **Financial Aid Warning** and will be notified in writing and by email.

Kingswood University will reinstate the student's eligibility for aid for one semester. If a student who has been given a Financial Aid Warning fails to meet the GPA or completion requirements to return to regular eligibility status in the next term of study, they will be placed on **Financial Aid Suspension** and lose all US Federal Aid eligibility.

Financial Aid Appeals

In certain circumstances, students whose U.S. Federal Aid eligibility has been removed may appeal if at least one of the following criteria is met:

- death of an immediate family member;
- extended illness of the student – illness that causes the student to be absent from class at least 15 days (medical documentation required);
- extended illness of a family member that places hardship on the student (medical documentation required);
- mitigating circumstances as determined by the Director of Financial Aid.

Appeal Process:

To appeal the decision for eligibility:

1. Submit a written appeal letter to the Financial Aid Director within 14 days of receipt of the notification of ineligibility. This letter must outline the reasons for the failure to meet SAP requirements and include all documentation supporting the appeal.
2. The appeal will be reviewed by the Director of Financial Aid, Vice President for Academic Affairs, and Vice President for Enrollment to decide to uphold ineligibility or to allow a reversal of the decision.
3. A written response to the appeal will be provided to the student.

Financial Aid Probation

If a student's appeal is successful, the student will be placed on **Financial Aid Probation** and will be eligible to receive U.S. Federal Aid for the following semester, after which time SAP requirements will be reviewed. If the student is successful in meeting the

SAP requirements, the Financial Aid Probation will be removed.

If the student is denied U.S. Direct Loans after an appeal but in subsequent years meets SAP requirements, it is the student's responsibility to notify the Director of Financial Aid Office that SAP requirements have been met. The Financial Aid Director will verify SAP requirements have been met prior to originating any U.S. Direct Loans for the following semester.

Financial Aid Suspension

If a student fails to meet the GPA or completion requirements to return to regular eligibility status in the next term of study, the student will be placed on **Financial Aid Suspension** and will lose all U.S. Federal Aid eligibility.

Maximum Timeframe Eligibility

Students who have taken more than 150% of the published length of degree completion time are not considered to have fulfilled SAP requirements and therefore become ineligible for U.S. Direct Loans for that degree at Kingswood University.

Incompletes, Withdrawals, Repeated Courses

For the purpose of U.S. Direct Loans, the following definitions apply:

- Incomplete courses are considered in the credit hours attempted and are included in the cumulative GPA calculation upon completion of the course.
- Withdrawals without academic penalty are considered in the credit hours attempted but are not considered in the determination of the cumulative GPA
- Repeated course grades are included in the credit hours attempted and in the cumulative GPA according to Kingswood academic policy.

U.S. Title IV Refund Policy

If a student withdraws or is expelled during the semester (payment period), U.S. law specifies that Kingswood University must recalculate Title IV (Stafford Loan) funding to determine what amount the student has "earned."

Calculation of Title IV Funding Earned

To earn 100% of Title IV funding a student must complete 60% or more of the semester. If a student has not completed 60% of the semester, the amount

earned will be determined by the number of calendar days completed divided by the number of days in the semester. For example, a student who has completed 25 days of the 103-day semester, will be eligible for 24.27% (25 divided by 103 equals 24.27%) of his or her previous Title IV eligibility.

If the student received (or the University received on the student's behalf) less assistance than the amount that was earned, the student may be eligible to receive those additional funds. If the student received more assistance than was earned, the excess funds must be returned by the University and/or the student.

Post Withdrawal Disbursements

In the case that a student has withdrawn, and the US Title IV funding has arrived after the withdrawal and the student is still eligible for some of the loan funding, the student will be notified that there is money available to the student or parent. The decision on if the funds will be accepted will be determined by the student or parent before the money is posted to the student's account. The student will be notified via email and will have 14 days to respond.

Returning Excess Title IV Funding

Kingswood University is required to return a portion of the excess funds equal to the lesser of:

- the University's charges multiplied by the unearned percentage of the funds, or;
- the entire amount of excess funds.

If the University is not required to return all the excess funds, the student must return the remaining amount.

Title IV funds will be returned to the lender in the following order:

- unsubsidized Direct Loans;
- subsidized Direct Loans;
- Parent Plus Loans.

Kingswood University will return all excess funds to the lender within 45 days of the last date of attendance.

Withdrawal Date

When a student withdraws during a semester, the withdrawal date for Title IV refund purposes will be established as the earlier of the following dates:

- the date the student notifies the Registrar of his or her intent to withdraw;
- the date the student submits a withdrawal form.

If a student does not submit a withdrawal form or notify the Registrar of intent to withdraw, the withdrawal date will be established as the last date of class attendance.

If a student receives all failing grades for a semester and it is determined that this is a result of lack of class attendance, the last date of attendance will be established and used to calculate the amount of Title IV funding earned for the semester.

SPIRITUAL LIFE

It is God's desire that we not only come to know Christ as Saviour, but that we continually grow in His image (2 Corinthians 3:18). Traditionally, we call this 'Christian spiritual formation.' It is our purpose to assist in the Christian spiritual formation of every student at Kingswood University, both on-campus and online. This includes spiritual, moral, and character development. This can only be accomplished as each member of the community is committed to a diligent and conscientious daily walk with Jesus Christ.

Spiritual growth occurs best when we are intentional about it. At Kingswood, we are intentional in our approach to holistic spiritual formation by offering a variety of experiences to help facilitate the personal spiritual growth of students.

Chapel Services are conducted on Tuesdays and Fridays at 9:30 am on campus and livestreamed through YouTube. Chapel is a time for the campus family, students and staff, to meet to worship and give praise, participate in the preaching of God's Word, celebrate holy communion, join in corporate prayer, and thus be changed into the likeness of Christ by the power and presence of the Holy Spirit. Chapel services are livestreamed for the benefit of those who cannot come to campus

Pulse is an on-campus cocurricular program that facilitates holistic development through a Christian worldview. On Wednesday mornings we examine a variety of topics under the banners related to development of head, heart, hands, and habits. As part of Pulse, students are divided into Pulse Groups which are interactive and supportive through serving and learning alongside each other.

Discipleship Groups allow students to experience spiritual formation in a small group led by a staff member. All students are required to be part of a small group which meets weekly for ongoing development and accountability.

Weekend Worship Attendance at a local church of their choosing is expected of all Kingswood students and staff.

Annual Spiritual Life Emphases occur in September, January, and March on campus and livestreamed on YouTube. **Spiritual Emphasis** in September brings spiritual focus to the entire campus at the beginning of the fall semester, challenging each student and staff member to new levels of spiritual vitality, victory, and vision. The **Dunlop-Mullen Holiness Emphasis** in January proclaims the Biblical doctrine of holiness with conviction, anointing, and clarity that results in students and staff experiencing significant advancement in their transformation into the likeness of Christ. **Missions Emphasis** in March heightens campus awareness of what God is doing in our world, particularly outside of North America. Opportunity is given for both students and staff to respond positively to God's direction for personal involvement in the great cause of missions, especially as accomplished through The Wesleyan Church.

Campus Pastors are staff members who provide pastoral care to staff and students. **Student Chaplains** are present in each residence hall. They help provide spiritual leadership in the residences. Prayer chapels are available in each residence for personal and small group prayer, Bible study, and worship.

Requirements for On-Campus Students

Weekly attendance is required at Chapel, Pulse, Discipleship Group meetings, and weekend Worship Services. Attendance is also required during the spiritual life emphasis services. Attendance at other spiritual formation experiences is encouraged but not mandated.

Excused absences from any of the required components may be issued under the same provisions as for excused absences from classes; that is, for University sponsored activities (e.g. Kingswood sponsored ministry teams, intercollegiate sports, and class or program field trips), documented extended illness, serious illness or death in the student's immediate family, or in similar extenuating circumstances. Absences are granted by the Vice President for Academic Affairs within one week of the absence.

Requirements for Online Students

Weekly attendance at church services and small group meetings is also required for online students. These students must also be intentional in finding other ways in which God can speak to them; this may be through reading, podcasts, or watching other services online, such as campus chapel services.

Because ministry flows out of our relationship with Christ, online students must also be engaged in ministry each week.

Reporting

All students are enrolled in a Spiritual Formation Component 'course' each semester or term where they report participation in the required activities

each week. Participation in such events and practices as those described above does not guarantee spiritual growth, they place students in environments where they can be shaped by God and develop in their relationship with him.

A grade of at least B in this course each year is a requirement for graduation (see page 38 Graduation Requirements) and thus is required for all degree students. Students who fail to achieve this grade may be required to repeat the SF Component.

CAMPUS LIFE

For complete information about student life at Kingswood, please refer to the Student Handbook.

STUDENT DEVELOPMENT

Kingswood University is committed to student development as an essential element of the total educational and formational experience of each student. This commitment is based upon the assessment that student development encompasses all areas of life, including physical, intellectual, emotional, interpersonal, character, and spiritual formation.

The purpose of student development is that all students make significant progress in their overall personal growth and maturity, develop genuine Christlikeness, and gain an abiding understanding of, and commitment to, their calling and ministry within the body of Christ.

SOCIAL LIFE

Becoming a responsible, discerning, and respected leader is accomplished by learning to make wise choices and developing strong interpersonal relationship skills. Thus, a meaningful, well-rounded education at Kingswood University includes cultivating Christ-centred relationships. University administrators, faculty, and staff count it a privilege to participate in this lifestyle development.

RESIDENT LIFE

Kingswood is a resident housing institution. Therefore, resident life is intended to be a vital part of the total learning, character-building experience. Resident life provides special opportunities to learn and practice the discipleship lifestyle (servanthood, mutual respect, selfless caring, and sharing). We want the community life shared with friends in the residence halls to have a positive impact on the Kingswood experience and to be the beginning of many lifelong friendships.

STUDENT ORGANIZATIONS

Student Council

Student government at the University is facilitated through the Student Council. This elected body consists of administrative officers, a first-year student representative, senior class representatives, an off-campus representative, and the directors of the student organizations listed below.

Spiritual Life Association

The purpose of the Spiritual Life Association is the building of character and the transformation of conduct to the example of Christ's spiritual leadership. By servitude and submission to Him, the association promotes growth in grace so that it can be said with the Apostle Paul, "The things you have learned and received or heard and seen in me, practice these things; and the God of peace shall be with you" (Philippians 4:9). The Spiritual Life Association assists in leading the annual spiritual and holiness emphasis services.

Local and Global Outreach Association

The purpose of this organization is:

- to promote among the students an interest in missions, assisting leading the annual Missions Emphasis week;
- to help all students discover God's plan for them in His work;
- to model and live out the love and compassion of Christ through various ministries. Servant-evangelism projects and creative ministries that meet real needs in the community of Sussex provide wonderful opportunities to experience the challenges and joys of Christian witnessing and serving others.

Student Fellowship Association

It is the desire of the Student Fellowship Association to assist in all aspects of the student's social development. The goal of the association is to enhance the spiritual growth of each student by

providing a positive, wholesome atmosphere for social interaction and the development of lasting friendships.

Athletic Association

This student organization seeks to promote personal health and fitness, the building of character, and leadership skills through athletic events, both on the intercollegiate and intramural levels. Participation is encouraged as a player and/or spectator.

Creative Arts Association

The Creative Arts Association provides students with an opportunity for ministry outreach to the community and for involvement in unique University presentations. Its goal is to present biblical truths in a creative and contemporary form that is both clear to listeners and effective in evoking positive personal change.

SEXUAL HARASSMENT POLICY

Unwelcomed sexual invitations, demands for sexual favors, repeated sexual innuendos, and taunting about a person's body, appearance or sexuality can constitute sexual harassment. The university is committed to creating and maintaining an environment for students that is free of such objectionable and disrespectful conduct. Students should review Kingswood's Student Policy and

Procedure on Sexual Harassment to help ensure self-awareness and protection. While a student may choose to discuss or report sexual harassment directly with law enforcement or any trusted Kingswood staff member, the Vice President for Enrolment & Marketing and the Professor of Counselling serve as University Sexual Harassment Advisors. These advisors provide information, advice, assistance, and support on a confidential basis regarding this policy. Complaints of sexual harassment brought to the university's attention by a student will be treated as a serious matter and will be acted upon promptly and with due regard to the confidentiality of all those involved.

GRIEVANCE POLICY

The fundamental criterion for initiating a grievance is that a student believes that a decision of a University authority or the action of a University member affecting some aspect of his or her University life has not been reasonable, just or fair. Every student in the University community has a right to institute and participate in proceedings under this grievance procedure without reprisal or threat of reprisal for so doing.

The grievance process is divided into the three stages which are described in the Student Handbook.

ACADEMIC INFORMATION

ACADEMIC POLICIES

Class Attendance - Synchronous Classes

The faculty and administration of the University believe many of the benefits acquired during university years cannot be measured adequately or accurately through assessments. Among these benefits are those received through class participation. Consequently, students are expected to attend all sessions of the courses for which they are registered.

Students may not miss more than one-fourth (25%) of the class hours in a course for any reason. If they miss more than one-fourth of the class hours in a course, they will fail the course.

Students who miss more than one-tenth (10%) of the class hours in a course will receive a grade reduction penalty which is equivalent to a 2% grade reduction for each additional hour of class missed. Most classes are 3 credit hour classes which meet in two sessions of 75 minutes per week. Missing more than two of these 75-minute classes will result in a 3% grade reduction for each additional class session missed. Students should check the syllabus for details about specific classes.

Excused absences from class or Spiritual Life events will be granted only for University sponsored activities (e.g. Kingswood sponsored ministry teams, intercollegiate sports, and class or program field trips), documented extended illness, serious illness or death in the student's immediate family, or in similar extenuating circumstances. Students who live outside Sussex and commute to campus may also be granted excused absences in the event of adverse weather conditions. Absences will be granted by the Vice President for Academic Affairs within one week of the absence. Excused absences do not result in grade reduction but do contribute to the one-fourth rule.

A student may be given permission to attend in-person classes virtually in extenuating circumstances (extended illness, death in the student's immediate family, etc.). Permission must be granted by the Vice President for Academic

Affairs as well as the professor. Following permission, all arrangements must be made by the student and the details confirmed with the professor. A class session accessed in this manner may be counted as attendance at class.

If a student is absent on the day of a pre-announced test, an automatic "0" will be received on that test, unless there are extenuating circumstances.

Students will be assessed one absence for each three times they arrive late to class or leave class early. Students arriving twenty minutes or more after the start of a class or leaving twenty minutes or more before the end of class will be marked absent.

Faculty may have additional attendance policies for a course. When this is the case, the requirement will be explained in the course syllabus. Faculty are under no obligation to repeat any class material or demonstration, either in class or in private sessions, when a student has been absent.

Academic Load – On-Campus Programs

Students who take twelve or more credit hours in a semester are considered full-time students. Incoming students are normally permitted to take up to 16 credit hours per semester in their first year. Incoming students may be advised to take less than 16 hours if their academic background is weak or if it has been several years since they have been a full-time student. Students wishing to take more than 16 hours must be second, third, or fourth-year students and have a grade point average (GPA) of 2.5 or higher for the two previous semesters. The maximum number of credit hours permitted per semester is 19, however, a student who has maintained a GPA of 3.5 or above for the two previous semesters may, through their advisor, petition the Vice President for Academic Affairs for an exemption from this restriction.

Academic Load – Online Programs

Students who take six or more credit hours in a term are considered full-time students. Students may take up to nine credit hours in a term but are discouraged from this if they are employed more than half-time. Students wishing to take more than

six hours per term must maintain a grade point average (GPA) of 2.5 or higher.

Dropping a Course

Students may withdraw from a course within the first seven calendar days of the course without academic penalty. Courses from which a student withdraws during the second to ninth week of a semester or second to fourth week of a term will be recorded with a grade of "W." After this date, courses dropped will incur an "F" unless a student can document extenuating circumstances. Students must follow the appropriate procedures for dropping a course by completing the Drop/Add form available on the University's intranet. For information about tuition refunds see the Financial Information section of this Catalogue.

Adding a Course

Students may add a course only during the first seven calendar days of a semester or term. Students must follow the appropriate procedures for adding a course by completing the Drop/Add form available on the University's intranet.

Auditing a Course - Synchronous Classes

Students who wish to attend a course but not receive academic credit or a grade may audit the course. This must be indicated at the time of course registration. Students who audit a course are not required to do the course work or take any tests in the course; however, students are required to attend at least 75% of the classes to have the audited course recorded on their transcript.

Qualifying Semester or Term

The first semester or term for students who do not have the required academic background for admission or who are accepted as mature students will be a qualifying period. To promote academic success, during the semester on-campus students will not be permitted to participate in student ministry teams, collegiate sports requiring travel, or hold student offices. Online students with a qualifying term will be permitted to enrol in only one course for the first term.

Students whose GPA is above the academic probation threshold at the end of the qualifying semester or term will have all restrictions removed. Those whose GPA is below the threshold will be placed on academic probation.

Academic Probation

Students enrolled in at least nine credit hours in a semester will be placed on academic probation when their fall semester, spring semester, or cumulative GPA falls below the minimum academic probation threshold as set forth in the table.

Students enrolled in at least six credit hours in a term will be placed on academic probation when their term or cumulative GPA falls below the minimum academic probation threshold as set forth in the following table.

Total Hours Successfully Completed includes hours transferred from other institutions.

Total hours successfully completed	Minimum GPA
1 - 30 credit hours	1.75
31+ credit hours	2.00

Students on academic probation will be restricted to a thirteen credit-hour course load per semester on-campus or a four credit-hour course load per term online. They may be required to enrol in the course, Study Methods (GE 102).

While on academic probation, on-campus students may not participate in student ministry teams, collegiate sports requiring travel, or hold student offices. Students on Academic Probation must have the permission of the Vice President for Academic Affairs to participate in other time-intensive campus-related activities or ministries.

On-campus students will not be removed from academic probation unless their semester course load is nine hours or more. Online students will not be removed from academic probation unless their term course load is three hours.

Academic Dismissal and Re-Admission

Students will be dismissed automatically for a minimum of one semester or term if their:

- GPA in any fall semester or spring semester is 1.0 or below, or;
- GPA in any two consecutive terms is 1.0 or below, or;
- current fall semester, spring semester, or term GPA is below the academic probation threshold for a second consecutive semester or term.

Students who are dismissed may apply for re-admission by contacting the Enrolment Office.

Upon timely receipt of all required materials and reports, a determination will be made about if there is any basis for a student's continuing study at the University. A personal interview may be requested. Students re-admitted after academic dismissal will be on academic probation.

A second dismissal will be for an indefinite period.

Grading System

Although some professors may use numerical designation in grading, a letter system is used for the final evaluation of student coursework. The grades indicate the following assessments of work:

- A Excellent work. This grade represents originality, insight, and achievement.
- B Good work. This grade represents fulfillment of the course requirements with diligence and thoroughness, yet with something less than mastery.
- C Minimally acceptable work. This grade represents steady work at a low level of competence. It may indicate an outward fulfillment of requirements with little personal involvement or application to studies.
- D Unsatisfactory. This grade represents work below an acceptable level. For 300 and 400 level courses, a D grade is not satisfactory for graduation (see Degree Graduation Requirements), therefore, any such course receiving a D grade must be re-taken. For 100 and 200 level courses, a D grade is adequate for graduation.
- F Failure.
- I Incomplete. This is a temporary grade which will be changed to a passing or failing grade by the end of the following semester.
- W Withdrawal from a course.
- WF Withdrawal from a course while doing failing work.
- AU Audit: No grade assigned.

Credit

One credit hour represents about 35 hours of engagement with course content for an average student.

Most on-campus courses are three credit-hour courses, meeting for 150 minutes per week, usually in two 75-minute sessions for thirteen weeks. On-campus students should plan to spend two hours on out-of-class work for every hour spent in class. To receive credit for a course, the student must attend 75% of the class sessions, fulfill the requirements of the course (papers, class assignments, examinations, etc.) to the professor's satisfaction and receive an acceptable passing grade in the course.

Most online courses are also three credit-hour courses, lasting seven weeks. Online students should plan to spend about 15 hours per week on course related work for each course. To receive credit for a course, the student must fulfill the requirements of the course (papers, class assignments, examinations, etc.) to the professor's satisfaction and receive an acceptable passing grade in the course.

Grade Point Average (GPA)

The number of quality points earned for a course is equal to the number of hours assigned to the course multiplied by the number of quality points for the letter grade earned. For example, if a student receives a B for a three-credit course, he or she will earn nine quality points for that course.

Numerical averages of letter grades are computed by means of quality points as follows:

Letter Grade	Quality Points	Percentage
A	4.0	95 - 100%
A-	3.7	90 - 94%
B+	3.3	87 - 89%
B	3.0	82 - 86%
B-	2.7	80 - 81%
C+	2.3	77 - 79%
C	2.0	72 - 76%
C-	1.7	70 - 71%
D+	1.3	67 - 69%
D	1.0	62 - 66%
D-	0.7	60 - 61%
F	0.0	0 - 59%

To determine a student's GPA for a given semester, the accumulated quality points are divided by the number of credit hours attempted. For example, if a student accumulates a total of 39 quality points in 15 credit hours, the GPA for that semester will be 2.6.

Contesting a Grade on an Assignment

A student may contest a grade for an assignment by discussing it with the professor within five days of receiving the grade. If this does not bring about satisfactory resolution, the student may bring the assignment to the attention of the appropriate Division Chair who will then discuss the assignment with the professor. The decision of the Division Chair will be final. If the professor involved is also the Division Chair, the student may bring the assignment to the attention of the Vice President for Academic Affairs.

Contesting a Final Grade in a Course

A student may contest a final grade in a course informally by discussing it with the professor upon receipt of the grade. If this does not bring about satisfactory resolution, a student may contest the grade formally by the following procedure:

- The student will submit to the professor, in writing, the reasons for contesting the grade within five days of receiving the grade.
- The professor will respond in writing to the student within five days.
- If this does not bring about satisfactory resolution the student may take the grievance to the Vice President for Academic Affairs who will rule on the matter. The procedure is as follows:
 - The student must submit a written request for a review of the issue(s) to the Vice President for Academic Affairs within 21 days.
 - The request must include a copy of the student's statement to the professor and the professor's response.
 - The decision of the Vice President for Academic Affairs will be final.
 - If the professor involved is the Vice President for Academic Affairs, the written request may be submitted to applicable Division Chair.

Late Assignments

All assignments are due as described in the syllabus.

The policy governing the acceptance of assignments handed in late is as follows:

- Extensions may be granted by faculty in the event of sickness, death or serious illness in the

student's immediate family, or similar extenuating circumstances. Normally, extensions should be requested at least five days prior to the due date of an assignment. No extension will be granted if requested on the day the assignment is due.

- No assigned work will be accepted after the last day of the semester or term unless a prearranged extension has been granted because of extenuating circumstances.
- Assignments submitted past due dates, when approval to do so has not been granted, will be penalized for each day the assignment is late, as follows:
 - 100 and 200 level courses – 10% per day
 - 300 and 400 level courses – 25% per day

Class Standing

Class standing is based on the number of credit hours successfully completed, including those transferred from other institutions. Students are classed as follows:

Year	Credit Hours Successfully Completed
First year	0-29 hours
Second year	30-59 hours
Third year	60-89 hours
Fourth year	90+ hours

Early Enrolment

High school students in grade 12 may enrol for up to six hours of university level courses per semester or three hours per term. Students must have an average of at least 85% (3.3 on a 4.0 scale) and must have written approval of their parent or guardian and the high school they attend. Students may take regular classroom courses on-campus and/or they may take courses online through Kingswood Extended.

High school students may also be able to earn university credit for participation in other University sponsored ministries or events. This credit is not counted in the six hours of credit identified above.

Transferring from Other Institutions

All transcripts are assessed individually for transfer credit. Credit can usually be transferred seamlessly from:

- other recognized accredited educational institutions owned by The Wesleyan Church;

- other institutions accredited by the Association for Biblical Higher Education, Commission on Accreditation;
- recognized Canadian educational institutions;
- institutions whose accreditation is recognized U.S. Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA).

Kingswood University only transfers those credits that can be applied directly toward the desired program of study at Kingswood. Grades for courses transferred must be at least C-, though the grade will not be recorded or calculated in the student's GPA.

Principles:

- Students transferring credits to Kingswood must take at least thirty hours through Kingswood to earn a Kingswood degree, even though they may have more than the required number of hours for graduation. This must be the final year of the program unless special arrangements have been made with the Vice President for Academic Affairs.
- Therefore, students can transfer a maximum of 90 credit hours into a bachelor's degree program and a maximum of 30 credit hours into an associate's degree program.
- Within a bachelor's degree, normally a maximum of twelve hours can be transferred towards a major program of study and nine hours towards a minor program of study.

Details:

- Most courses can be transferred from reputable Canadian schools or other accredited institutions (those which are recognized by the U.S. Department of Education or the Council for Higher Education Accreditation) according to the above principles, especially from those which operate from a Wesleyan Arminian theological perspective.
- A maximum of 18 hours of Bible and Theology courses can be transferred from institutions which do not operate from a Wesleyan Arminian theological perspective; however, transfer credit will not be awarded for Christian Doctrine I and II or Doctrine of Holiness.
- Through a formal articulation agreement with Elim Bible Institute and College (NY), students who have completed Elim's one- and two-year

program may transfer all credit from those programs towards a bachelor's degree at Kingswood University. Credit from one of Elim's Applied Ministry Certificates may also transfer.

- Through a formal articulation agreement with the Advent Christian General Conference, students who have earned the Certificate in Biblical Studies from Berkshire Institute for Christian Studies (MA) will be awarded at least one year of credit towards a bachelor's degree at Kingswood University.
- Transfer of credit from non-accredited institutions is based on the nature of the institution and credentials of faculty who taught the courses to be transferred. Up to 60 hours of credit may be transferred. A maximum of 18 hours of Bible and Theology courses can be transferred; however, transfer credit will not be awarded for Christian Doctrine I and II or Doctrine of Holiness. Students requesting transfer credit from such institutions may be asked to provide syllabi for courses to be transferred.

Transfer credit is not awarded for Student Teaching or the Supervised Ministry Experience.

A student who is on academic probation at another institution and is accepted for study at Kingswood will be placed on academic probation for at least one semester or term. A student dismissed from another institution will be required to wait a minimum of one semester or term before enrolling.

Graduation Requirements

A student will be granted a degree upon meeting the following conditions:

- a life of high moral standing and a committed discipling relationship with the Lord and Saviour, evidenced by full engagement in local church worship and all Kingswood worship and ministry requirements, and quantified by a grade of at least B in each semester or term's Spiritual Formation Component. On-campus students are required to attend chapel, Pulse, discipleship groups and official campus spiritual formation events;
- successful completion of all program requirements;
- a minimum of 30 credit hours, and the last 30 credit hours preceding the conferring of the

degree, earned through Kingswood University, unless special arrangements have been made with the Vice President for Academic Affairs;

- a letter grade of "C-" or above attained in all 300 and 400 level courses;
- a minimum cumulative GPA of 2.0;
- full payment of all financial commitments to the University.

Additional graduation requirements may apply to some degree programs. Online students may be required to complete an interview with a faculty committee.

Graduation Honours

The following honours are awarded to graduates in bachelor's degree programs. Students who transfer to Kingswood University must have completed at least 60 credit hours through Kingswood University to qualify for graduation honours.

In recognition of academic achievement, graduates with superior GPAs will be designated as follows:

- 3.4 – 3.59 *cum laude* (with honours)
- 3.6 – 3.79 *magna cum laude* (with high honours)
- 3.8 – 4.0 *summa cum laude* (with highest honours)

Recipients of the Valedictorian and Salutatorian awards are chosen by the faculty, primarily for high academic achievement.

Recipients of the Delta Epsilon Chi Honour Society award are chosen by the faculty based on having achieved a cumulative grade point average of not less than 3.3 and demonstrated an outstanding Christian character and leadership ability. This award is made available through the Association for Biblical Higher Education (ABHE).

August Graduates

Students in bachelor's degree programs who, at the time of graduation, are no more than two courses (maximum six credit hours) away from completing their program of study may be granted permission by the Vice President for Academic Affairs to participate in Commencement with the designation August Graduate. This provision also applies to students who are completing their Supervised Ministry Experience during the summer semester if the supervised ministry marks the conclusion of their academic work.

Students in associate degree programs who, at the time of graduation, are no more than one course (maximum three credit hours) away from completing their program of study may be granted permission by the Vice President for Academic Affairs to participate in Commencement with the designation August Graduate.

If all course work is not completed by August 31 of that year, graduation will be withheld until Commencement of the following year. A student is not permitted to participate in Commencement a second time and will graduate *in absentia*.

Academic Integrity

The *Senior Dictionary of Canadian English* defines plagiarism as "an idea, expression, plot, etc. taken from another and used as one's own." Plagiarism is a serious offence in the academic community and is especially offensive in the Christian academic community since it is an act of dishonesty, evidencing a lack of integrity. Cheating on tests, exams, and other assignments is equally offensive. For this reason, any source that is quoted directly, and all statements of fact or opinion that are not common knowledge, must be referenced with a parenthetical reference. Plagiarism and other academic dishonesty will not be tolerated at Kingswood University and normally will result in the following academic penalties:

- A first offence will result in failure of the assignment or test.
- A second offence (even if occurring in a different course than that of the first offence and/or in a subsequent semester or term) will result in the failure of the course in which the second act of plagiarism or academic dishonesty occurred.
- A third offence (even if occurring in a different course than that of the first or second offence and/or in a subsequent semester or term) will result in dismissal from the University.

All students enrolled in online courses are required to submit an Integrity Statement at the conclusion of the course indicating that all work submitted is their own and that resources have only been used as permitted in the course. Grades in these courses will not be finalized until the signed statement is submitted. Online students may be required to use a proctor for significant exams.

Use of Electronic Devices in the Classroom

Computers and other electronic devices are helpful tools to assist the learning process; students are encouraged to use them. However, tools can be used for the wrong reasons. Because Kingswood is an expression of the body of Christ where members care for one another, professors want students to practice mutual accountability. Therefore, the following guidelines will be in place for the use of electronic devices in classrooms (synchronous classes):

- Computers and any other electronic devices will be used in class only for notetaking, approved class presentations, or by other direction of the professor. They will not be used for activities such as, but not limited to, messaging, playing games, watching movies, or browsing.
- If a student sees a classmate using a device in an inappropriate way, student-to-student accountability is encouraged. However, if there is no resolution, or if a student feels uncomfortable with this course of action, he or she may talk to the professor. When it comes to the attention of the professor, appropriate action will be taken. The professor will not share with the offending student who did the reporting.
- A student may lose the privilege of using his or her device if it is determined by the professor that it was used in an inappropriate way.

Faculty may have additional requirements about use of devices. Check the syllabus for specifics.

ACADEMIC PROCEDURES

Academic Year

The on-campus calendar operates with two main semesters each year. The first semester concludes prior to Christmas and the second semester concludes in late April or early May. Courses may also be taken through a summer semester which runs from the beginning of May to the end of August.

The online calendar operates with six terms per year. Terms begin on the first Monday of odd months (January, March, etc.) and end on Saturdays seven weeks later.

On-campus students may take online courses during the two summer terms.

Intensive Courses (Seminars)

The University sometimes offers courses in a modular format. These are times of concentrated study which employ instructors from across the church who share their knowledge and experience with students. Students complete pre-course and post-course assignments.

Advising

Upon enrolment, each degree student is assigned an advisor who will guide the student through his or her Kingswood experience. The advisor will help the student with academic matters, such as program and course selection, and will serve as a mentor and counsellor throughout the student's university career.

Students whose GPA is below 2.0 at the end of any grading period will be encouraged to meet with their advisor for specific guidance in this area.

Course Numbering

Courses are classified in the following manner:

- First-year courses - 100s
- Second-year courses - 200s
- Third-year courses - 300s
- Fourth-year courses - 400s

Students may register for a course that is one year above their classification, provided necessary pre-requisites have been met, and only with permission from the professor and the Registrar. Any course may be cancelled due to insufficient enrolment.

Change of Program

Current students desiring to change their program of study must submit an online Change of Program form, found on the University's intranet Program changes processed in the first two weeks of the semester will take effect immediately. All requests for program changes received after the first two weeks of the semester will be processed and effective at the beginning of the next semester.

Second Degree

Students wishing to earn a second undergraduate degree must take at least thirty credit hours above that which is required for the first degree and meet the specific requirements of the additional degree.

Kingswood Extended

Kingswood Extended is the branch of Kingswood

University through which degrees, certificates, and courses are delivered to students who are away from campus. A Kingswood degree is the same whether delivered on-campus or online.

Physical, Mental, and Learning Disabilities

Kingswood desires to support all students in fulfilling the unique call of God in their lives including their academic success. Applicants with disabilities conform to the same academic conditions of acceptance as other applicants. However, they are encouraged to submit additional information about their life circumstances so that these can be considered in the evaluation of their application.

Students who have a diagnosed disability must inform the Academic Affairs Office prior to initial registration if they wish to request accommodation of any form. Professional and current documentation that establishes the nature of the disability and the recommendations for accommodation must be provided. Kingswood seeks to work with the student and any medical and/or psychological professionals involved to develop an appropriate accommodation plan. The accommodation plan will outline the student's particular needs and required changes to the delivery of the academic content to the student. The Registrar will notify faculty of suggested accommodations based upon documentation students provide.

The University can provide some support for students who have documented learning disabilities. Examples of support include making accommodations for tests and lectures and offering tutoring for study skills and improved learning. The University ultimately determines the types and extent of support offered. Kingswood will not accommodate a student to the extent that educational experiences and integrity are compromised for the student or for other students in the course.

Student Success Centre

The Student Success Centre, located in the Earle & Marion Trouten Library, exists to promote the academic success of all students, both on-campus and online. The Centre is supervised by the Director of Library Services and staffed by student volunteers. Assistance is available in areas such as

organization, reading, writing, research, test preparation, and proof-reading.

Dean's List

The Dean's List is calculated at the end of each semester (fall and spring). Full-time on-campus students who earn a semester grade point average of 3.5 or above have earned the distinction of being on the Dean's List, published by the Vice President for Academic Affairs at the close of each semester. Full-time online students who achieve a grade point average of at least 3.5 in the two corresponding terms (1 and 2, 3 and 4, or 5 and 6) will also be identified as being on the Dean's List.

Transferring to Other Institutions

Students from Kingswood University transferring to other colleges or universities are encouraged to contact the college or university they wish to attend regarding their policy on transferring of credits.

Articulation Agreements

Kingswood University has entered into formal agreements with several institutions, allowing for smooth transfer from Kingswood to other institutions, for undergraduate or graduate study. Transfer of credit is always guided by the policies of the receiving institution.

Students can transfer credit between the five Wesleyan educational institutions. In addition to this general transfer of credit between Wesleyan institutions, the following transfer agreements are in place:

- Houghton College (Houghton, NY) – graduates of Kingswood's AA degrees will have satisfied the core requirements for Houghton College's bachelor's degrees (main campus);
- Indiana Wesleyan University (Marion, IN) – graduates of Kingswood's AA (General Education) will have satisfied the general education requirements for IWU-Marion bachelor's degrees, except for the Intercultural Experience, a lab science and a fine arts credit;
- Oklahoma Wesleyan University (Bartlesville, OK) - graduates of Kingswood's AA (General Education) will have satisfied the general education requirements for Oklahoma Wesleyan's bachelor's degrees;
- Southern Wesleyan University (Central, SC) - graduates of Kingswood's AA (General

Education) can transfer up to 53 hours of credit towards Southern Wesleyan's core curriculum.

Agreements also exist with other higher education institutions:

- Association for Biblical Higher Education (ABHE). Because of accreditation by ABHE, students can transfer credit to and from other ABHE schools across North America;
- Acadia Divinity College (Wolfville, NS) – Kingswood graduates may be awarded up to 24 hours of advanced standing with credit towards the M.Div. degree. Acadia has a standing policy which makes it possible for those who hold an undergraduate degree in theological education (such as Kingswood's bachelor's degrees) to complete an M.A. degree in as little as one year.
- Asbury Seminary (Wilmore, KY and Orlando, FL) – Kingswood graduates may be awarded up to 18 hours of advanced standing with credit.
- Cairn University (Philadelphia, PA) – graduates of Kingswood's B.A. (Christian School Education) may be awarded up to 6 hours of advanced standing in the M.S. (Education) degree.
- Crandall University (Moncton, NB) – Kingswood and Crandall have an agreement that credit can be transferred in both directions. Specifically, graduates of Kingswood's BA (Christian School Education) degree may complete the B.Ed. degree in three or four semesters and thus be eligible for teacher certification in New Brunswick.
- Indiana Wesleyan University (Marion, IN) – third- and fourth-year Kingswood students enrolled in the Christian Counselling major may be eligible for enrolment in up to five graduate counselling courses.
- Prairie College (Three Hills, AB) – students wishing to earn Prairie's Associate of Arts degree in Mission Aviation may complete the first academic year (eight months) at Kingswood before moving to Alberta.
- University of Maine (Presque Isle, ME) - graduates of Kingswood's BA (Christian School Education) degree may complete the Teacher Education program in three semesters and thus be eligible for teacher certification in Maine.
- Wesley Seminary (Marion, IN) – Kingswood graduates may be awarded up to 19 hours of advanced standing with credit towards graduate

degrees. Senior undergraduate students at Kingswood may also take courses from Wesley Seminary for dual enrolment in undergraduate and graduate degrees.

Denominational agreements:

- Advent Christian (ACGC) – an agreement with the Advent Christian General Conference allows students from the ACGC to meet credentialing requirements through their degree at Kingswood University. In addition, the agreement provides for seamless transfer of credits from Berkshire Institute of Christian Studies to Kingswood University, though transfer is assessed on an individual basis.
- Church of the Nazarene (CotN) – an agreement between Kingswood University and the Canada Atlantic District of the Church of the Nazarene allows Kingswood to serve as an approved institution for ministerial preparation for the Church of the Nazarene denomination (see page 38 for program details).
- Pentecostal Assemblies of Canada (PAOC) – a three-way agreement between Kingswood University, the Pentecostal Assemblies of Canada (Maritime District), and Master's College and Seminary (Peterborough, ON), allows Kingswood to serve as an approved institution for ministerial preparation for the PAOC denomination (see page 61 for program details).

Advanced Placement

Students with grades 3, 4, or 5 on Advanced Placement (AP) examinations or grades 5, 6, or 7 on International Baccalaureate (IB) examinations may be awarded transfer credits up to a maximum of eighteen credit hours. Official Advanced Placement or International Baccalaureate reports must be submitted to the Registrar for credit to be awarded. Students with other advanced placement credits should contact the Registrar's office for further information.

Transcripts

Official transcripts are issued upon request from the student through the University website. The cost is \$10.00 per transcript, payable before the transcript can be released. Students can print unofficial transcripts from their Populi account without charge. All financial obligations to the University must be met before grades and transcripts can be released.

Withdrawal from the University

A student wishing to withdraw from the University must complete the necessary withdrawal form, available from the Academic Affairs, Campus Life or Financial Aid Office.

Changes to Programs and/or Requirements

Any changes in University programs and/or requirements become effective when a new

catalogue is published. In such instances a student is permitted to graduate under the catalogue provisions at the time of enrolment. If a student changes program or withdraws and later re-enrols, the requirements at the time of change or re-enrolment will be those which the student must meet.

BACHELOR'S DEGREE PROGRAMS

BACHELOR OF ARTS (MINISTRY)

The Bachelor of Arts (Ministry) program of study is designed to train students for multiple forms of Christian ministry. In addition to excellent classroom instruction, during their fourth year B.A. (Ministry) students complete a four-month Supervised Ministry Experience under the direct supervision of a qualified ministry leader in their field of study. During this time, students are exposed to the broad range of hands-on ministry experience within a local or international church or parachurch ministry. This Supervised Ministry Experience gives opportunity for students to sharpen and focus ministry skills learned in the classroom. Students are also required to complete a minimum of three practicum credits during their four-year degree program.

Students completing the B.A. (Ministry) degree will meet the academic requirements for licensing in The Wesleyan Church. Some major courses of study contain the academic requirements for ordination in The Wesleyan Church; students in other majors may elect to add the additional courses as electives. In most cases, students can still complete the degree in four years. All students enrolled in the B.A. (Ministry) degree are required to take a history and polity course that focuses on their home denomination.

Students from other denominations may be able to meet many of the academic requirements for ordination in their denomination.

Objectives of the B.A. (Ministry) program

Graduates will:

- demonstrate an understanding of the central doctrines of the Christian faith and articulate them clearly;
- communicate God's truth to make disciples;

- express how they are developing in their relationship with God and as Christlike servant leaders.

Electives in the B.A. (Ministry) program

The B.A. (Ministry) program affords students the option to customize their degrees, allowing them to select electives which match their gifts, interests, calling, and plans. While ministry is the primary major, students may elect to follow an additional specific ministry major below or they may complete the four-year B.A. (Ministry) degree without an additional designated major.

BACHELOR OF ARTS (CHRISTIAN SCHOOL EDUCATION)

The Bachelor of Arts (Christian School Education) (CSE) degree is designed to prepare teachers with professional competency and a biblical philosophy of education for leadership in the Christian elementary school classroom.

Upon completion of seven semesters of course work, B.A. (CSE) students spend fourteen weeks observing and teaching in Christian school classrooms, seven weeks with each of two grades, under the direction of qualified teachers and the supervision of the CSE Program Director. Students are also required to complete a minimum of three practicum credits, two in a school setting. Those who possess a sound knowledge base of middle and/or high school curriculum may elect to complete practicum credits and student teaching at those levels.

Teacher Certification

The components of the B.A. (CSE) program meet the requirements for teacher certification with the Association of Christian Schools International (ACSI) which supports and accredits Christian schools around the world.

Purposes of the B.A. (CSE) program:

- provide a theoretical and practical foundation for a life of intellectual and spiritual development that will serve as a model, thus impacting students in their schools;
- provide specific course work and practical experiences to enhance student abilities to function as effective Christian teachers in any vocational setting, and specifically in Christian school classrooms;
- equip students with advanced preparation for continuing education which will lead to life-long ministry in education.

Objectives of the B.A. (CSE) program

Kingswood University has an articulation agreement with the University of Maine at Presque Isle whereby those who hold the B.A. (CSE) degree from Kingswood will be able to complete further study leading to teacher certification in Maine which is recognized in approximately forty other states and several Canadian provinces.

Kingswood University also has an articulation agreement with Crandall University in Moncton, New Brunswick, where students can transfer to earn a B. Ed. which leads to teacher certification in New Brunswick's public schools.

Graduates of Kingswood's B.A. (CSE) may be awarded up to 6 hours of advanced standing in the M.S. (Education) degree at Cairn University (Philadelphia, PA).

The Bachelor of Theology is a specialized undergraduate degree with a primary concentration in biblical and theological studies. This focus includes an introduction to Bible study tools for working with the biblical languages, a well-rounded foundation in general education and a foundation in vocational ministry training. This degree enhances the preparation of students for a career in Christian higher education (Christian liberal arts universities and seminaries) and provide a solid preparation for those who desire to serve in pastoral ministry.

Students completing the Bachelor of Theology degree will meet the academic requirements for licensing in The Wesleyan Church. With careful selection of electives, students may also meet the academic requirements for ordination in The Wesleyan Church.

MINISTRY MAJORS & MINORS

In addition to the primary majors in the bachelor's degrees (Ministry, Christian School Education, Theology) students may wish to add another specific area of study to their degree program. Students in the Bachelor of Arts (Ministry) degree may add a major area of study (24 hours) to their degree. Students in any bachelor's degree program may add a minor area of study (18 hours) to their degree.

Unless otherwise noted, the program objectives are fulfilled to a lesser extent in the minor program of study and to a greater extent in the major program of study.

The selection of some combinations of majors and/or minors may require more than 120 hours to complete. In some cases, adding more than one major or minor to a degree program will necessitate adding a semester to the student's program, thus taking four and a half years to complete the degree.

Courses credited towards a degree or major cannot also be credited towards a minor. For example, a student enrolled in the Christian Counselling major and the Youth & Family Ministry minor cannot count Developmental Psychology towards both the major and the minor. An alternate course will need to be selected for the minor.

Business

The business major is designed to prepare students for ministry roles of which business will be a key component, for example, using small businesses as ministry, serving overseas in small business operations, as well as pastors and ministry leaders who wish to be well-prepared for some of the executive duties required of these positions.

This major will help those interested in the philosophy of Business as Mission which falls under the larger philosophical umbrella of Marketplace Ministry. Business as Mission focuses on "holistic transformation and the multiple bottom lines of economic, social, environmental and spiritual outcomes" (Lausanne Movement).

Objectives of Business Program

Graduates will:

- demonstrate foundational business skills and abilities;
- understand the relationship between faith and work;
- understand how business can be used as ministry beyond the walls of the church;
- integrate their faith to guide business and personal interactions;
- apply leadership principles to business and ministry settings.

Children & Family Ministry

The Children & Family Ministry program is designed to equip students to serve effectively in children's ministry in churches or parachurch organizations. The inclusion of family ministry acknowledges that ministering to children means ministering to the entire family. The program is grounded in Christ's love for children as expressed in His words "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these" (Matthew 19:14, NIV).

Students enrolled in the Children & Family Ministry program may also elect to complete all academic requirements for ordination in The Wesleyan Church. The four-month Supervised Ministry Experience for students enrolled in this program takes place under the supervision of a children's ministry specialist in a church of the student's own denomination or in a parachurch ministry.

Objectives of Children & Family Ministry Programs

Graduates will:

- have a solid Biblical and theological foundation for effective ministry to children and their families;
- learn practical and effective team dynamics for serving on a multiple staff ministry with professionalism;
- be effective communicators of the claims of God's word in culturally relevant and age-appropriate ways;
- have a working knowledge of the childhood phases of development and learn how to assist children in life transitions through incarnational relational ministry;
- participate in practical hands-on ministry experiences, implementing practical models of creative, need-meeting ministries for both outreach and discipleship;
- understand the importance of partnering with families and have tools to support parents as the spiritual leaders of the home.

Objectives of Christian Counselling Programs

Graduates will:

- exemplify competence and confidence in utilizing Christian counselling skills at an introductory level;
- develop a philosophy of Christian counselling which is Christ-centred and therapeutically relevant;
- engage in an ongoing self-examination of personal preparation for an effective ministry in Christian counselling;

- be prepared to serve in a local church or other counselling ministry setting;
- be prepared to continue education by pursuing a master's level degree in counselling to position themselves for professional licensure for use in church-based ministry or community-based service.

The Christian Counselling major and minor are not degree programs in professional psychology, nor are they terminal degrees for those who are pursuing licensure to practice. As a step towards licensure, students who have earned the Christian Counselling major from Kingswood University have successfully enrolled in master's counselling programs at institutions such as Asbury Theological Seminary, Indiana Wesleyan University, Liberty University, and Yorkville University.

Church Planting

The Church Planting major and minor programs are designed to prepare students either to lead or be part of a church planting team.

Students are exposed to both the biblical and theoretical foundations of church planting, along with effective church planting strategies and culturally relevant church growth principles in the context of contemporary North American society. All church planting classes are taught by those who have first-hand experience in church planting. To maximize the integration of classroom instruction and ministry experience, students visit several recent church plants.

Students enrolled in the Church Planting program also complete academic requirements for ordination in The Wesleyan Church. The four-month Supervised Ministry Experience for students enrolled in the Church Planting major takes place in a church planting setting within the student's own denomination.

Objectives of the Church Planting Programs

Graduates will:

- understand a variety of church planting methodologies;
- know how to exegete a community from the perspective of a church planter;
- understand and value a team learning and serving environment;
- understand principles and practices of church health and growth;
- be able to design effective church planting strategies.

The Church Planting minor program of study is not available to students following the Pastoral Ministry major; however, pastoral ministry students may take church planting courses as electives.

Evangelism, Compassion, and Social Justice

There is a growing recognition in the evangelical world that when evangelism, compassion ministry and social justice are separated from one another it leads to an incomplete representation of the gospel. The Great Commission and the Great Commandment are a both/and, not an either/or proposition. Kingswood is perfectly positioned to educate students in a biblical balanced ministry of outreach to "the least of these" (Matthew 25:40) through the major and minor program of study.

The four-month Supervised Ministry Experience for students following the Evangelism and Social Justice major takes place with a compassion or social justice ministry in an urban or cross-cultural setting.

Students wishing to enroll in the Evangelism & Compassion minor program of study must be enrolled in a bachelor's degree program and have completed no more than 16 hours of credit towards a bachelor's degree.

Objectives of the Evangelism, Compassion, and Social Justice Programs

Graduates will:

- have a biblical understanding of the relationships between compassion, evangelism, and social justice issues;
- demonstrate an understanding of, and appreciation for the spiritual and social issues present in the world and be able to address them from a Biblical perspective;
- demonstrate an understanding of God's heart for the poor and lost peoples of the world;
- be prepared to do evangelistic and compassionate outreach work in a wide variety of environments outside of traditional church settings, such as soup kitchens, missions, jails, drug rehabs, and at-risk youth programs;
- evaluate and assess the particular needs of specific situations and provide appropriate solutions;

Intercultural Studies

The Intercultural Studies major is designed to prepare students to serve missionally and strategically in cross cultural contexts both around the world as well as in North America, with The Wesleyan Church and other denominations, agencies, and non-profit organizations.

The Intercultural Studies minor is designed for students who wish to be exposed to and trained in cross-cultural ministries, but who do not desire to concentrate most of their courses in this area. The minor is also for those who may not sense God leading them to vocational cross-cultural service, but who still wish to have some preparation for effective cross-cultural communication and ministry.

The program is grounded on the philosophy that mission is the first work of God, and that he invites his people to participate with him in what he is doing in witness and mission among people of all nations, around the world as well as around the corner. We recall Jesus' command to make disciples of all nations, going to them wherever he brings us, remembering that he promised to "be with us always." (Psalm 67, Matthew 28:19-20; John 20:21; Acts 1:8).

The four-month Supervised Ministry Experience for students in this major takes place in a cross-cultural setting; this may be internationally or within a North American ministry with a cross-cultural focus.

- know how to dialogue, proclaim the Gospel, and disciple believers in the context of various world religions and new religious movements;

The programs include basic education in music studies, both practical and theoretical. In addition, students will benefit from a well-rounded foundation in general studies and as well as in ministry training.

The purpose of the Worship Arts minor is to provide students the opportunity to add some worship leading training to their overall ministry preparation.

Entrance Requirements

All applicants will be accepted into the Worship Arts program but will initially enrol in the Worship Arts minor program of study.

To be fully accepted as into the Worship Arts major program of study, potential for success in the program must be demonstrated. Full acceptance will occur as students demonstrate basic vocal and musicianship skills. At the student's request, an audition may be scheduled for this purpose. Such an audition will be based on the proficiency requirements for the major and will measure the prospective student's current skill levels and overall aptitude in voice and piano or guitar.

The goal of a Kingswood Worship Arts audition is to highlight a student's strengths while helping to assess potential to thrive in the focused program. Since the intent of the Worship Arts major is to develop worship leaders who are expected to lead vocally, students will be auditioned for their vocal stability and on their secondary instrument if desired. The primary purpose of the audition is to ascertain that a student has the innate musical ability necessary for success in this program.

Articulation Agreements

Articulation agreements with the four Wesleyan liberal arts institutions in the United States and with Crandall University in New Brunswick allow students who have earned the A.A. (General Education) degree from Kingswood to transfer to one of these institutions with advanced standing and complete a bachelor's degree in as little as an additional two years. TESL – TEACHERS OF ENGLISH AS A SECOND LANGUAGE

The TESL Certificate provides a thorough introduction to the concepts, theory, and methods related to teaching English as a second language. Such preparation helps graduates to instruct competently in local or international settings, such as in creative-access countries where traditional ways of doing mission are prohibited.

TESL in Canada is equivalent to TESOL (Teachers of English to Speakers of Other Languages) in the United States. The program is offered through The Institute of TESL, a ministry of Kingswood University.

The practicum is an optional component of the TESL experience at Kingswood. Students may complete a practicum by their own arrangement and at their own expense. If a student chooses to pursue the optional practicum, it is his or her responsibility to obtain the location for the practicum, as well as to work fully with its teachers and administration to the satisfactory completion of the practicum. The successful completion date will be mutually agreed on by the student and the Director of the Institute of TESL. Any student who completes satisfactorily all classroom responsibilities is eligible to receive the TESL Certificate from Kingswood University that includes the words, “100 hours of instruction.” Students who choose the option of completing the practicum under the terms stated by Kingswood University will be eligible to receive a Certificate that

includes, “100 hours of instruction plus a 20-hour teaching practicum.” Many universities offer TESL certificates that do not include the practicum. Potential employers will generally choose teaching experiences (such as volunteering once a week for a few months) over a teaching practicum.

To be awarded the TESL Certificate, students must complete satisfactorily both TESL I and TESL II, each worth three credit hours, with a grade of at least C in each course. Students may choose to take the courses for credit or non-credit. If taken for credit these hours may fill elective or other course requirements.

Students who do not want university credit for the TESL courses will be expected to meet the same requirements (attendance, assignments, etc.) for the courses as those who do. The courses will show as an audit on a transcript.

Students enrolled in the Christian School Education program are required to take TESL I; they may take TESL II to meet the elective requirement of the degree. PRACTICAL MINISTRIES

The purpose of practical ministries is to assist the student in preparing to bring glory to God by enabling the student to integrate real-life experience with classroom theory.

Participation in practical ministry experiences assists students in developing skills in relating Christian truth to human needs. The student's individual needs and vocational objectives help determine appropriate ministry assignments. The value of communication skills in teaching, preaching, counselling, music, sharing, and witnessing cannot be overstressed in the student's vocational pursuits. Consequently, a valid learning experience in the use of these skills must include practice. During practical ministry experiences, students receive evaluation and instruction from pastors, church leaders, and other competent supervisors.

Practicum

All students at Kingswood University are involved in a variety of hands-on practical ministries. Some of these are through Pulse activities; others are through more formal arrangements in earning Practicum credits.

In all bachelor's degree programs, students must earn three Practicum credits. Students in associate's degree programs must earn two Practicum credits. These credits must be earned throughout the degree program to assist in the integration of classroom learning with practical learning experience.

The Practicum Handbook provides detailed information concerning practicum assignments and requirements. Selection of assignments is made in consultation with the Practicum Director and the student's faculty advisor. All student practicum assignments must have the approval of the Practicum Director.

Supervised Ministry Experience (MIN 425)

All B.A. (Ministry) students spend four months in full-time supervised ministry in the final semester of their degree program. Students work under the direction

of a Kingswood faculty member and a field supervisor ministering in the student's area of study. The Supervised Ministry Experience includes real-life ministry, leadership opportunities, readings, and writing elements to allow students to process and reflect on their experiences. This is a twelve-credit hour assignment.

The Supervised Ministry Handbook provides detailed information about all aspects of this program from placement through debriefing. Students should acquire the current version of the Supervised Ministry Handbook in the fall of their sophomore year and begin working with the Director of Supervised Ministry Experience and their Program Director to secure an appropriate placement.

The final segment of the Supervised Ministry Experience is a debriefing seminar. This seminar allows students returning to campus after their time of ministry to continue reflectively processing their experience in a group setting for mutual benefit. The seminar is facilitated by the Director of Supervised Ministry Experiences. Students who are unable to participate in this debriefing due to distance from campus are debriefed by other means.

Student Teaching Experience (CSE 425)

All B.A. (Christian School Education) students spend fourteen weeks observing and teaching in Christian school classrooms at two different grade levels. This twelve-credit hour assignment may not be completed until all other Christian School Education requirements have been completed. Student Teaching placement is done under the supervision of the Christian School Education Program Director. The student is supervised by a qualified cooperating teacher.

ADMISSIONS INFORMATION (GRADUATE)

ADMISSION POLICIES

General Requirements

The prospective student is assessed according to academic background, moral behaviour and character, personal Christian testimony, and ministry graces. In the consideration process, the applicant's complete academic record, recommendations, plans, and personal information are reviewed. If applicants meet the required standards in these areas, they are admitted to the University. The University does not discriminate based on race, colour, national origin, age, or gender in admission to, treatment in, or employment in its programs and activities.

Academic Requirements

Applicants must have earned a bachelor's degree from a recognized institution with a cumulative GPA of at least 2.5 on a 4.0 scale. Students without the necessary background or grades may be admitted on a conditional basis. Students with no prior theological education may be required to take an introductory Bible survey course.

Character Requirements

Applicants are expected to be of high moral character and are therefore expected to be a minimum of six months from participation in tobacco products, non-prescription drug use, pornography, inappropriate sexual relationships, gambling, and occult activities.

Ministry Graces

The mission of Kingswood University as a single-focus institution requires that an applicant possess the skills and temperaments appropriate for ministry. In some cases, an applicant may be asked to complete additional testing to help in this evaluation.

ADMISSION PROCEDURES

Applications and information may be obtained online or from the Enrolment Office, 506-432-4422 or 888-432-4422. Applications for admission should be made early so that necessary arrangements for entrance may be made.

All applicants must submit the following to the Enrolment Office:

- Application for Admission - Applications may be made online through the University website (<https://www.kingswood.edu/admissions/apply-now>) or submitted to the Enrolment Office, Kingswood University, 26 Western Street, PO Box 5125, Sussex, New Brunswick, Canada, E4E 5L2. A non-refundable \$40 application fee must be submitted with the application. All questions on the application form are to be answered or marked N/A if not applicable.
- Transcripts - Applicants must submit transcripts of all post-secondary work. Transcripts are to be mailed directly to the University. Transcripts of work at Kingswood University do not need to be submitted; they will automatically be added to the application.
- References - Applicants must provide the names of two professional references. Kingswood students immediately transitioning from an undergraduate degree to the graduate degree program must have the permission of the Program Director instead of the two references.
- Statement of Purpose - Applicants must submit a one- to two-page statement of purpose explaining their spiritual journey to this point and why they hope to pursue the Master's degree at Kingswood University. Recent graduates of Kingswood bachelor's degree programs are exempt from this step, upon approval of the Program Director.

All accepted applicants must complete the following before they can be enrolled:

- Scholarships & Grants Application - All accepted applicants are expected to make adequate financial arrangements. Applicants wishing to apply for scholarships and grants through the University must submit a Scholarships and Grants Application. Specific opportunities for financial assistance through the University are listed in the Financial Information section of this Catalogue.
- Ministry Placement Site - The M.A. (Pastoral Theology) is an "in-ministry" degree. Each student will be required to invest a minimum of 20 hours each week in church-related ministry (on either a paid or volunteer basis). Applicants who do not have a ministry placement site should contact the Program Director for assistance in finding one as part of the enrolment process. A Kingswood-approved ministry colleague at the church or ministry will be asked to partner with the student and sign a formal Ministry Placement agreement to that effect. This form must be completed and submitted to the Enrolment Office before final acceptance into the program.

ACADEMIC INFORMATION

ACADEMIC POLICIES

Dropping a Course

Students may withdraw from a course within the first seven calendar days of the course without academic penalty. Courses from which a student withdraws during the second to fourth week of the course will be recorded with a grade of "W." After week four, courses dropped will incur an "F" unless a student can document extenuating circumstances. Students must follow the appropriate procedures for dropping a course by completing the Drop/Add form available on the University's intranet. For information about tuition refunds see the Financial Information section of this Catalogue.

Adding a Course

Students may add a course within the first week of a term, with the professor's permission, and by contacting the Registrar's Office. Students must follow the appropriate procedures for adding a course by completing the Drop/Add form available on the University's intranet.

Grading System

Although some professors may use numerical designation in grading, a letter system is used for the final evaluation of the student's work in a course. The grades indicate the following assessments of work:

- A Excellent work. This grade represents originality, insight, and achievement.
- B Good work. This grade represents fulfillment of the course requirements with diligence and thoroughness, yet with something less than mastery.
- C Minimally acceptable work. This grade represents steady work at a low level of competence. It may indicate an outward fulfillment of requirements with little personal involvement or application to studies.
- D Unsatisfactory. This grade represents work below an acceptable level. For 500 level courses, a D grade is not satisfactory for graduation (see Degree Graduation

Requirements); therefore, any such course receiving a D grade must be re-taken.

- F Failure.
- I Incomplete. This is a temporary grade which will be changed to a passing or failing grade by the end of the following semester.
- W Withdrawal from a course.
- WF Withdrawal from a course while doing failing work.
- AU Audit: No grade assigned.

Grades

To receive credit for a course, the student must satisfactorily fulfill all the requirements of the course (papers, assignments, etc.) and receive an acceptable passing grade in the course.

Grades and grade-point averages are calculated in the same manner as at the undergraduate level (see page 36).

Academic Probation

Students will be placed on academic probation when their term or cumulative GPA falls below 2.0. Students on academic probation will be permitted to take only one graduate course per term.

Academic Dismissal and Re-Admission

Students will be dismissed automatically for a minimum of one semester if:

- their GPA in any term is 1.0 or below, or;
- their current term GPA is below 2.0 for a second consecutive term.

Students who are dismissed for academic reasons may apply for re-admission by contacting the Enrolment Office.

Upon timely receipt of all required materials and reports, a determination will be made concerning if there is any basis for a student's continuing study at the University. A personal interview may be requested. Students re-admitted after academic dismissal will be on academic probation.

A second dismissal will be for an indefinite period.

Contesting a Grade on an Assignment

A student may contest a grade for an assignment by discussing it first with the professor within five days of receiving the grade. If this does not bring about satisfactory resolution, the student may bring the assignment to the attention of the Program Director who will then discuss the assignment with the professor. The decision of the Program Director will be final. If the professor involved is also the Program Director, the student may bring the assignment to the attention of the Vice President for Academic Affairs.

Contesting a Final Grade in a Course

A student may contest a final grade in a course informally by discussing it with the professor upon receipt of the grade. If this does not bring about satisfactory resolution, a student may contest the grade formally by the following procedure:

- The student will submit to the professor, in writing, the reasons for contesting the grade within five days of receiving the grade.
- The professor will respond in writing to the student within five days.
- If this does not bring about satisfactory resolution the student may take the grievance to the Program Director who will rule on the matter. The procedure is as follows:
 - The student must submit a written request for a review of the issue(s) to the Program Director and include a copy of the student's statement to the professor and the professor's response.
 - This request must be submitted to the Program Director within 21 days.
 - The decision of the Program Director will be final.
 - If the professor involved is the Program Director, the written request may be submitted to the Vice President for Academic Affairs.

Late Assignments

All assignments are due as described in the syllabus. There may be a grade reduction for late submission of assignments.

Extensions may be granted in the event of unexpected ministry duties, sickness, death or serious illness in the student's immediate family, or similar extenuating circumstances. Normally,

extensions should be requested at least five days prior to the due date of an assignment.

No assigned work will be accepted after the official end date of the course. Students should check specific requirements for due dates in each syllabus.

Academic Integrity

The *Senior Dictionary of Canadian English* defines plagiarism as "an idea, expression, plot, etc. taken from another and used as one's own." Plagiarism is a serious offence in the academic community and is especially offensive in the Christian academic community since it is an act of dishonesty, evidencing a lack of integrity. Cheating on tests, exams, and other assignments is equally offensive. For this reason, any source that is quoted directly, and all statements of fact or opinion that are not common knowledge, must be referenced with a parenthetical reference. Plagiarism and other academic dishonesty will not be tolerated at Kingswood University and normally will result in the following academic penalties:

- A first offence will result in failure of the assignment or test.
- A second offence (even if occurring in a different course than that of the first offence and/or in a subsequent term) will result in the failure of the course in which the second act of plagiarism or academic dishonesty occurred.
- A third offence (even if occurring in a different course than that of the first or second offence and/or in a subsequent term) will result in dismissal from the University.

All students enrolled in online courses are required to submit an Integrity Statement at the conclusion of the course indicating that all work submitted is their own and that resources have only been used as permitted in the course. Grades in these courses are not finalized until the signed statement is submitted.

Online students may be required to use a proctor for significant exams.

Transferring from Other Institutions

Students can transfer a maximum of 15 credit hours into the master's degree program. The University will only transfer those credits that can be applied directly toward the desired program of study at Kingswood. Grades for courses transferred must be

at least C, though the grade will not be recorded or calculated in the student's GPA.

Transfer credit is not awarded for Ministry Placement.

Graduation Requirements

A student will be granted a degree upon meeting the following conditions:

- evidence of a life of high moral standing and a committed discipling relationship with the Lord and Saviour;
- successful completion of all program requirements;
- a minimum of 21 of the 36 credit hours earned through Kingswood University;
- a letter grade of "C" or above attained in all courses;
- a minimum cumulative grade point average of 2.0;
- full payment of all financial commitments to the University.

Online students may be required to complete an interview with a faculty committee.

August Graduates

Students who complete the M.A. (Pastoral Theology) in one academic year will, by the nature of the program, be August graduates. They will be granted permission by the Vice President for Academic Affairs to participate in Commencement with the designation August Graduate.

Other students enrolled in the M.A. (Pastoral Theology) program who, at the time of graduation, are no more than two courses and one ministry placement credit (maximum seven credit hours) away from completing their program of study may be granted permission by the Vice President for Academic Affairs to participate in Commencement with the designation August Graduate.

If all course work is not completed by August 31 of that year, graduation will be withheld until Commencement of the following year. Such students will not be permitted to participate in Commencement a second time and will graduate *in absentia*.

ACADEMIC PROCEDURES

Academic Year

The M.A. (Pastoral Theology) program operates with six terms per year. Terms begin on the first Monday of odd months (January, March, etc.) and end on Saturdays seven weeks later.

Advising

Upon enrolment, each student is assigned an advisor who will guide the student through his or her Kingswood experience. The Program Director also serves as the advisor to all M.A. (Pastoral Theology) students.

Physical, Mental, and Learning Disabilities

Kingswood desires to support all students in fulfilling the unique call of God in their lives including their academic success. Applicants with disabilities conform to the same academic conditions of acceptance as other applicants. However, they are encouraged to submit additional information about their life circumstances so that these can be considered in the evaluation of their application.

Students who have a diagnosed disability must inform the Academic Affairs Office prior to initial registration if they wish to request accommodation of any form. Professional, current documentation that establishes the nature of the disability and the recommendations for accommodation must be provided. Kingswood seeks to work with the student and any medical and/or psychological professionals involved to develop an appropriate accommodation plan. The accommodation plan will outline the student's particular needs and required changes to the delivery of the academic content to the student. The Registrar will notify faculty of suggested accommodations based upon documentation students provide.

The University can provide some support for students who have documented learning disabilities. Examples of support include making accommodations for tests and lectures and offering tutoring for study skills and improved learning. The University ultimately determines the types and extent of support offered. Kingswood will not accommodate a student to the extent that educational experiences and integrity are compromised for the student or for other students in the course.

Transferring from Other Institutions

All transcripts are assessed individually for transfer credit. Credit can usually be transferred seamlessly from:

- other recognized accredited educational institutions owned by The Wesleyan Church;
- other institutions accredited by the Association for Biblical Higher Education, Commission on Accreditation;
- recognized Canadian educational institutions;
- institutions whose accreditation is recognized U.S. Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA).

Transfer may be possible from other institutions with consideration given to the nature of the institution, the qualifications of its faculty, and review of syllabi.

Details of transcript assessment are available to the student or applicant upon request.

Articulation Agreements

In addition to general reciprocity of transfer of credit with other institutions owned by The Wesleyan Church and others accredited by ABHE, Kingswood has articulation agreements for transfer to and from graduate programs at the following institutions:

- Acadia Divinity College at Acadia University (Wolfville, NS);
- Wesley Seminary (Marion, IN).

Transcripts

Official transcripts are issued upon request from the student through the University website. The cost is \$10.00 per transcript, payable before the transcript can be released. Students can print unofficial transcripts from their Populi account without charge. All financial obligations to the University must be met before grades and transcripts can be released.

Changes to Programs and/or Requirements

Any changes in University programs and/or requirements become effective when a new catalogue is published. In such instances a student is permitted to graduate under the catalogue provisions at the time of enrolment. If a student withdraws and later re-enrols, the requirements at the time of change or re-enrolment will be those which the student must meet.

SEXUAL HARASSMENT POLICY

Unwelcomed sexual invitations, demands for sexual favors, repeated sexual innuendos, and taunting about a person's body, appearance or sexuality can constitute sexual harassment. The university is committed to creating and maintaining an environment for students that is free of such objectionable and disrespectful conduct. Students should review Kingswood's Student Policy and Procedure on Sexual Harassment to help ensure self-awareness and protection. While a student may choose to discuss or report sexual harassment directly with law enforcement or any trusted Kingswood staff member, the Vice President for Enrolment & Marketing and the Professor of Counselling serve as University Sexual Harassment Advisors. These advisors provide information, advice, assistance and support on a confidential basis regarding this policy. Complaints of sexual harassment brought to the university's attention by a student will be treated as a serious matter and will be acted upon promptly and with due regard to the confidentiality of all those involved.

GRIEVANCE POLICY

The fundamental criterion for initiating a grievance is that a student believes that a decision of a University authority or the action of a University member affecting some aspect of her/his University life has not been reasonable, just or fair. Every student in the University community has a right to institute and participate in proceedings under this grievance procedure without reprisal or threat of reprisal for so doing.

The grievance process is divided into the three stages which are described in the Student Handbook.

MASTER OF ARTS (PASTORAL THEOLOGY)

The Master of Arts (Pastoral Theology) is a streamlined 36 credit-hour master's degree with a special emphasis on integrating Scripture and biblical theology with pastoral leadership, worship, evangelism and discipleship, the nature of the church, and spiritual formation. Students will have an opportunity to compile a practical set of ministry tools and resources as part of a capstone project. The program is offered fully through alternative delivery methods; there is no residency requirement.

Objectives of the M.A. (Pastoral Theology)

Graduates will:

- gain a deeper understanding of the integral relation between the Bible, the preached Word, and the enacted Word;
- gain a broader understanding of the nature of the church as the Body of Christ;
- understand the nature and purpose of the spiritual disciplines as applied in the life of a local congregation;
- understand the principles involved in guiding a Christian community to spiritual and ministry wholeness;
- understand the Church as a witness to, and extension of, God's mission in the world;
- understand some of the key dynamics of the Church as a social institution, and what that means for Christian leadership of a local congregation.
- highly value the corporate nature of the Church.
- apply the biblical and theological principles learned in class in practical ministry settings.

Program Integration

This degree provides a special emphasis on integrating Scripture and biblical theology with pastoral leadership, worship, evangelism and discipleship, a deeper understanding of the church, and spiritual formation. Class work in each of the specific courses includes the opportunity to design assignments around a ministry need or theme of the student's choosing.

Program Relevancy

Students will have opportunity to compile a practical set of ministry tools and resources as part of a capstone final project. This project will involve guided processing, assimilation, and compilation of principles, insights and methodologies gleaned from the integration of class work and ministry involvement in the core curriculum of the degree.

Local Church/Ministry Involvement

Because the M.A. (Pastoral Theology) degree is an "in-ministry" degree, students will be required to complete twelve months of sustained engagement in church-related ministry (20 hours per week) on either a paid or volunteer basis. This work will be evaluated at the ministry site by a Kingswood-approved ministry colleague. The timing of this requirement may be adjusted for students who intend to take more than one year to complete the degree.

The "ministry" category is not limited to pastoral roles in a local church, but may include roles in parachurch ministries, or other ministry roles, as approved by the Program Director.

Six hours of academic credit are awarded for this ministry assignment, for which the student pays standard tuition fees.

Students who opt to complete the M.A. (Pastoral Theology) degree in two years may choose to invest ten hours per week for twenty-four months.

Course Sequencing

The M.A. (Pastoral Theology) is designed to be completed in one academic year if a student has already completed the twelve hours of foundational courses. The Bible as Christian Scripture (BT 501) is normally the first course.

If students do not have the foundational courses, or if they prefer to work on the degree at a slower pace, they may complete the degree over a two-year span. Degree completion plans are customized for each student considering prior education, work schedule, and desired pace.

MAPT COURSE DESCRIPTIONS

Rev. Dr. Erik Ireland, Program Director

The Bible as Christian Scripture (BT 501) is normally the first core course taken in the M.A. (Pastoral Theology) degree. It focuses especially on the formative role played by the Bible (as the Word of God) in shaping the life of a healthy congregation. Special attention is given to the ways in which different genres of Scripture, as well as various books of the Bible, are to be utilized in both private and public worship. Prerequisite: Survey of the Bible.

3 credit hrs Annually, Term 6 (July/August)

Survey of the Bible (BT 510) is a comprehensive survey of the whole Bible, intended to meet the prerequisites for taking further study at the graduate level.

3 credit hrs Annually, Term 5 (May/June)
or Term 6 (July/August)

Church History (HI 551) provides a survey of the history of the Christian Church from its birth to the present day in the context of world history. Attention is given to how the past impacts present and future ministry.

3 credit hrs Annually, Term 2, (Nov/Dec)

Romans (NT 551) is a critical and exegetical study of the book of Romans. Due attention is paid to background issues and proper methodology for the understanding of Romans, but the primary focus is an in-depth study of Paul's theological positions developed throughout the letter.

3 credit hrs Annually, Term 1 (Sept/Oct)

Introduction to Counselling (PSPM 551) gives an overview of counselling theory, and reviews and practices skills of being a good helper and counsellor. The integration of theology and psychology is considered and foundational understanding of people and what is needed to promote healing is studied and practiced. Prerequisite or co-requisite: General Psychology or be a mature student.

3 credit hrs Annually, Term 3 (Jan/Feb)

Systematic Theology (TH 551) aims to lay the foundation for a firm grasp of the basic doctrines of

the Christian faith. While the theological perspective is that of The Wesleyan Church, the student is encouraged to interact with other Christian perspectives to gain a clearer understanding of one's own view.

3 credit hrs Annually, Term 4 (March/April)

A Theology of Word and Sacrament (TH 502) maps the close connection between the spoken and the performed Word. Special attention is given to the ways in which the written Word and the sacraments are meant to operate in the life of the church as a means of ongoing, transformative grace. Students evaluate their current church experiences in light of these principles and develop a plan by which they may apply them in their ministry to a local congregation.

3 credit hrs Annually, Term 3 (Jan/Feb)

A Theology of the Church (TH 503) begins with an overview of the various biblical images of the church, which in turn necessitates an understanding of the historical and theological development, and adaptations of these biblical images. The course includes exercises where the student reflects critically upon life in the church and ministry as he or she currently experiences it in light of these biblical, historical, and theological principles. The goal is for the student, as a ministry leader, to become a facilitator of a biblically sound, culturally relevant, spiritually growing, reproducing, missional congregation. Prerequisite: theological study.

3 credit hrs Annually, Term 2 (Nov/Dec)

Missional Pastor: Evangelism and Discipleship (PM 504) examines how the church is meant to function as the mission of God in the world. The objective of this course, therefore, is to equip students with both a biblical understanding of how a local church effectively reaches the unsaved in the community with the gospel message and transitions new believers into a community of believers who intentionally support and encourage each other in becoming as much like Jesus as the Holy Spirit intends and enables.

3 credit hrs Annually, Term 4 (March/April)

A Theology of Pastoral Leadership (PM 505) is a comprehensive, integrative approach to the theology and practice of leadership, beginning with biblical foundations and concluding with essential skills for leading churches and other non-profit organizations. The course involves current case studies from the student's context and so requires that the student currently be serving in an approved organizational context to enable appropriate reflection and application.

3 credit hrs

Annually, Term 1 (Sept/Oct)

Capstone Project (PM 506) allows students to integrate and apply in a working preaching/teaching model the principles, insights and skills they have learned in each of the M.A. courses.

3 credit hrs

Any term

Ministry Placement (MIN 500) is the hands-on ministry component of the Master of Arts (Pastoral Theology). During twelve months of the program, each master's student will invest a minimum of 20 hours per week in an approved ministry, on a paid or volunteer basis. Monthly reflective reports will be submitted to the Program Director. Students who choose to complete the degree in two years may reduce their ministry hours to ten hours per week over two years.
